Subscription Contract: "Campus License – University of California – San Diego"

Thank you for your order with Statista – the Leading Statistics Portal.

With a Campus License, the University of California – San Diego can access statistics and studies from over 10,000 renowned sources at Statista.com. All statistics may be downloaded in Excel and PowerPoint formats, allowing your students and faculty to integrate content into their lectures and assignments.

Subscription Time Period: 1/01/2012 – 12/31/2012

Total Price:

Special Conditions:

Please complete the attached subscription order form and return it to Statista via email. Our subscription partner HARRASSOWITZ will then send you an invoice for your purchase as soon as possible.

The Campus License has a subscription length of 12 months. Without a direct cancellation of services, the account will be extended for an additional 12 months according to regular pricing. In the event of a cancellation, a 6 week notice is due before the end of the contract period above. Remote access and walk-in use are permitted. Under this Campus License contract, the University of California – San Diego is exempt from the Terms and Conditions stated on the Statista website.

By signing below, you agree to the subscription conditions listed above.

Sincerely,

12/13/2011
