Authorized Uses. Except as provided in Section IV below, Licensee and Authorized Users may make all use of the Licensed Materials as is consistent with the Fair Use Provisions of United States and international law. Nothing in this Agreement shall be interpreted to limit in any way whatsoever Licensee's or Authorized User's rights under the Fair Use provisions of United States or international law to use the Licensed Materials.

The Licensed Materials may be used for purposes of research, education, or other non-commercial use as follows:

Authors' Rights to Use Their Own Work. Notwithstanding any terms or conditions to the contrary in any author agreement between Authors and Licensor, Authors affiliated with Licensee whose work ("Content") is accepted for publication within the Licensed Materials shall retain the non-exclusive, irrevocable, royalty-free right to use their Content for scholarly and educational purposes, including self-archiving or depositing the Content in institutional, subject-based, national or other open repositories or archives (including the author's own web pages or departmental servers), and to comply with all grant or institutional requirements associated with the Content.

For the avoidance of doubt, it is the intent of the parties to this agreement that Authors are third party beneficiaries of this provision of the Agreement.

In addition, Authorized Users have the right to use, with appropriate credit, figures, tables, and brief excerpts from the Licensed Materials in the Authorized User's own scientific, scholarly and educational works.

IV. SPECIFIC RESTRICTIONS ON USE OF LICENSED MATERIALS

work of the Licensed Materials without the prior written permission of Licensor.

Excessive Downloading. Notwithstanding the right of extraction granted in Section III, downloading of substantial portions of the Licensed Materials is prohibited. V. LICENSOR PERFORMANCE OBLIGATIONS

Availability of Licensed Materials. Within two (2) weeks of the Effective Date of this Agreement, Licensor shall make the Licensed Materials available to Licensee and Authorized Users.

Documentation. Licensor will provide and maintain help files and other appropriate user documentation.

Support. Licensor will offer activation or installation support, including assisting with the implementation of any Licensor software. Licensor will offer reasonable levels of continuing support to assist Licensee in use of the Licensed Materials. Licensor will make its personnel available by email or phone for feedback, problem-solving, or general questions.

Training. Licensor will provide appropriate training to Licensee staff relating to the use of the Licensed Materials and any Licensor software. Licensor will provide regular system and project updates to Licensee as they become available and will provide additional training to Licensee staff made necessary by any updates or modifications to the Licensed Materials or any Licensor software.

Quality of Service. Licensor shall use reasonable efforts to ensure that the Licensor's server or servers have sufficient capacity and rate of connectivity to provide the Licensee and Authorized Users with a quality of service comparable to current standards in the scholarly information provision industry in the Licensee's locale.

Licensor shall use reasonable efforts to provide continuous service seven (7) days a week with an average of 98% up-time per month. The 2% down-time includes periodic

unavailability due to maintenance of the server(s), the installation or testing of software, the loading of additional Licensed Materials as they become available, and downtime related to the failure of equipment or services outside the control of Licensor, including but not limited to public or private telecommunications services or internet nodes or facilities. Scheduled down-time will be performed at a time to minimize inconvenience to Licensee and their Authorized Users. Licensor shall notify Licensee in a timely manner of all instances of system unavailability that occur outside the Licensor's normal maintenance window and use reasonable effort to provide advance notice of hardware or software changes that may affect system performance.

If the Licensed Materials fail to operate in conformance with the terms of this Agreement, Licensee shall immediately notify Licensor, and Licensor shall promptly use reasonable efforts to restore access to the Licensed Materials as soon as possible. In the event that Licensor fails to repair the nonconformity in a reasonable time, Licensor shall reimburse Licensee in an amount that the nonconformity is proportional to the total Fees owed by Licensee under this Agreement.

Notification of Modifications of Licensed Materials. Licensee understands that from time to time the Licensed Materials may be added to, modified, or deleted from by Licensor and/or that portions of the Licensed Materials may migrate to other formats. Licensor shall give prompt notice of any such changes to Licensee. Failure by Licensor to provide such reasonable notice shall be grounds for immediate termination of the Agreement by Licensee. If any modifications render the Licensed Materials less useful to the Licensee or their Authorized Users, the Licensee may treat such modifications as a material breach subject to the Early Termination provisions of this Agreement below. Further, Licensor shall provide advance notice to Licensee when the URLs and server domain names that affect Licensee's access are modified.

Completeness of Content. Where applicable, Licensor will inform Licensee of instances where online content differs from the print versions of the Licensed Materials.

Where applicable, Licensor shall use reasonable efforts to ensure that the online content is at least as complete as print versions of the Licensed Materials, represents complete, accurate and timely replications of the corresponding content contained within the print versions of such Materials, will cooperate with Licensee to identify and correct errors or omissions, and shall make available the electronic copy of the Licensed Materials no later than the date on which the paper version is issued.

Transfer Titles Rights. Licensee Rights regarding the transfer of electronic journal titles from one publisher to another.

Licensor shall use reasonable efforts to ensure that Licensee does not lose access to content during a journal(s) transfer and that any perpetual access rights that have been granted shall be honored whether the Licensor is acting as Transferring Publisher or Receiving Publisher. Licensor agrees to communicate with other publisher(s) to

exchange such relevant subscription and rights information as outlined in The Transfer Code of Practice found at:

https://groups.niso.org/higherlogic/ws/public/download/21330/Transfer_NISO_RP-24-2019.pdf

In the event that Licensor requires Authorized Users to agree to terms relating to the use of the Licensed Materials before permitting Authorized Users to gain access to the Licensed Materials (commonly referred to as "click-through" licenses), or otherwise attempts to impose such terms on Authorized Users through mere use or viewing of the Authorized Materials, Licensor shall provide Licensee with notice of and an opportunity to comment on such terms prior to their implementation. In no event shall such terms materially differ from the provisions of this Agreement. In the event of any conflict between such terms and this Agreement, the terms of this Agreement shall prevail.

Compliance with Americans with Disabilities Act. Licensor shall comply with the Americans with Disabilities Act (ADA), by supporting assistive software or devices such as large print interfaces, voice-activated input, and alternate keyboard or pointer interfaces in a manner consistent with the Web Content Accessibility Guidelines published by the World Wide Web Consortium's Web Accessibility Initiative, which may be found at <http://www.w3.org/WAI/GL/#Publications>.

Persistent Links. Where applicable, Licensor will provide and maintain persistent links to individual items within the Licensed Materials and make these available to Licensee. Licensor's support for persistent linking shall include the ability to resolve in-bound and out-bound links using the OpenURL standard (ANSI/NISO Z39.88).

Withdrawal of Licensed Materials. Licensor reserves the right to withdraw from the Licensed Materials any item or part of an item for which it no longer retains the right to publish, or which it has reasonable grounds to believe infringes copyright or is defamatory, obscene, unlawful or otherwise objectionable. Licensor shall give written notice to the Licensee of such withdrawal no later than thirty (30) days following the removal of any item pursuant to this section. If any such withdrawal renders the Licensed Materials less useful to Licensee or its Authorized Users, Licensor shall reimburse Licensee in an amount that the withdrawal is proportional to the total Fees owed by Licensee under this Agreement.

Usage Data. Licensor shall provide to each Licensee statistics regarding their individual institution's usage of the Licensed Materials by its Authorized Users in conformance with the Codes of Practice for Project COUNTER located at:
http://www.projectcounter.org/code_practice.html

VI. LICENSEE PERFORMANCE OBLIGATIONS

Provision of Notice of License Terms to Authorized Users. Licensee shall make reasonable efforts to provide Authorized Users with appropriate notice of the terms and conditions under which access to the Licensed Materials is granted under this Agreement.

Protection from Unauthorized Use. Licensee shall implement reasonable procedures to restrict access to the Licensed Materials to Authorized Users.

Maintaining Confidentiality of Access Passwords. Licensee shall maintain the confidentiality of any institutional passwords provided by Licensor.

VII. MUTUAL PERFORMANCE OBLIGATIONS

Cure Activities. In the event of any unauthorized use of the Licensed Materials by an Authorized User, Licensee shall cooperate with Licensor in the investigation of any unauthorized use of the Licensed Materials of which it is made aware if requested to do so by Licensor and shall use reasonable efforts to remedy such unauthorized use and prevent its recurrence. Licensor may terminate such Authorized User's access to the Licensed Materials after first providing reasonable notice to Licensee (in no event less than two (2) weeks) and cooperating with the Licensee to avoid recurrence of any unauthorized use. In the case of unauthorized use which in the Licensor's judgment is causing serious material harm, Licensor may temporarily suspend an individual Authorized User's access to the Licensed Materials (e.g. by blocking an individual user's ip address), provided that Licensor immediately notifies Licensee of any such suspension, including the reason for the block and any supporting details. Such temporary suspensions will be of the shortest duration possible sufficient to terminate the alleged unauthorized activity and prevent its resumption.

Confidentiality of User Data. Licensor agrees to maintain the confidentiality of any data relating to the usage of the Licensed Materials by any Licensee and its Authorized Users. Licensee agrees to maintain the confidentiality of any data relating to the usage of the Licensed Materials by individual Authorized Users. Such data may be used solely for purposes directly related to the Licensed Materials and may only be provided to third parties in aggregate form. Raw usage data, including but not limited to information relating to the identity of specific users and/or uses, shall not be provided to any third party.

VIII. EARLY TERMINATION

In the event that either party believes that the other materially has breached any obligations under this Agreement, or if Licensor believes that any Licensee has exceeded the scope of the License, such party shall so notify the breaching party in writing. The breaching party shall have thirty (30) days from the receipt of notice to cure the alleged breach and to notify the non-breaching party in writing that cure has been effected. If the breach is not cured within the thirty (30) day period, the non-breaching party shall have the right to terminate the Agreement without further notice.

Upon Termination of this Agreement for cause online access to the Licensed Materials by Licensee and Authorized Users shall be terminated. Authorized copies of Licensed Materials may be retained by Licensee or Authorized Users and used subject to the terms of this Agreement.

In the event of early termination permitted by this Agreement, Licensee shall be entitled to a refund of any fees or pro-rata portion thereof paid by Licensee on their behalf for any remaining period of the Agreement from the date of termination.

IX. WARRANTIES

Subject to the Limitations set forth elsewhere in this Agreement:

Licensor warrants that it has the right to license the rights granted under this Agreement to use Licensed Materials, that it has obtained any and all necessary permissions from third parties to license the Licensed Materials, and that use of the Licensed Materials by Authorized Users in accordance with the terms of this Agreement shall not infringe the copyright of any third party. The Licensor shall indemnify and hold Licensee, its Licensees and Authorized Users harmless for any losses, claims, damages, awards, penalties, or injuries incurred, including reasonable attorney's fees, which arise from any claim by any third party of an alleged infringement of copyright or any other property right arising out of the use of the Licensed Materials by the Licensees or any Authorized User in accordance with the terms of this Agreement. This indemnity shall survive the termination of this Agreement.

NO LIMITATION OF LIABILITY SET FORTH ELSEWHERE IN THIS AGREEMENT IS APPLICABLE TO THIS INDEMNIFICATION.

X. LIMITATIONS ON WARRANTIES

Neither party shall be liable for any indirect, special, incidental, punitive or consequential damages, including but not limited to loss of data, business interruption, or loss of profits, arising out of the use of or the inability to use the Licensed Materials.

Licensor makes no warranties

respecting any harm that may be caused by the transmission of a computer virus, worm, time bomb, logic bomb or other such computer program. Licensor further expressly disclaims any warranty or representation to Authorized Users, or to any third party.

XI. FORCE MAJEURE

Neither party shall be liable in damages or have the right to terminate this Agreement for any delay or default in performing hereunder if such delay or default is caused by conditions beyond its control including, but not limited to Acts of God, Government restrictions (including the denial or cancellation of any export or other necessary license), wars, insurrections and/or any other cause beyond the reasonable control of the party whose performance is affected.

XII. ENTIRE AGREEMENT

This Agreement constitutes the entire agreement of the parties and supersedes all prior communications, understandings and agreements relating to the subject matter hereof, whether oral or written.
