TO ALL MECHISTAS:

"ANO DE JUVENTUD - Y-QUE"

MEChA Central from the San Joaquin Valle is welcoming all the MECHISTAS to the Statewide MEChA Conference on March 15, 1980 at the Sal Mosqueda Community Center in Fresno.

The struggle of the movimiento has become a real problem to unite the forces, but MEChA is our vehicle to do the impossible. If this conference is to be a success, we must make every effort to be honest and open about our ideas. As the movement continues, the Chicano Moratorium becomes so real to many homeboys/homegirls in the barrios. Our youth are looking for a real director in the 80's.

MECHISTAS from Junior Highs, High Schools and Colleges will be coming to develop the strongest organizing force of Organizations for the Chicano Moratorium on August 29, 1980 in East Los. It is of vital importance to organize our youth in one direction.

The Central from the San Joaquin Valle is honored to host such a historical conference. History will be made by all the homeboys/homegirls from throughout Aztlan. The message from the conference will be heard loud and clear as we organize.

We will be providing housing for those who need to be housed for the night. Also, food will be sold at the conference by high schools. A dance will follow after the conference.

For further information contact the MEChA/Chicano Youth Center or MEChA Central at (209) 485-1776, and ask for Roger Valverde. Gracias for your cooperation in making this conference a success for the gente de corazon.

QUE VIVA LA RAZA!
