

924 8th St.
San Diego, Cal.
Oct. 10, 1913.

Mr. W.C. Starr,
United Steel Products Co.
Cor. Jackson and Central Ave.
Los Angeles, Cal.

Dear Sir: Kindly quote prices on triangular mesh for Cuyamaca Water Co. concrete flume construction, as follows:

Style # 23 width about 38"
" # 24 " " "

At the moment I should like to have 3 rolls of 150 ft. each, immediate shipment, regarding which I am telegraphing you to-night.

IXXWAX

This order is somewhat experimental to learn if this fabric is best suited to our conditions, but if we can make it fit there will be several miles of this class of construction, and X the prices become a matter of importance.
Very truly yours,

WESTERN UNION

Mr. Wm. S. Post,
924 Eighth St.,
San Diego, California.

Dear Sir:-

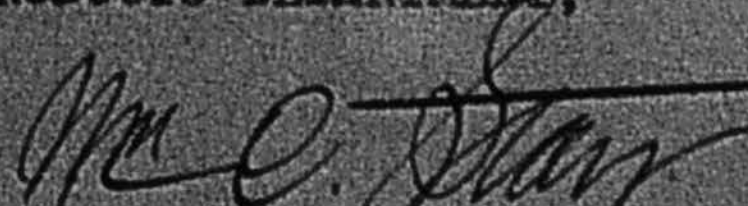

This is to acknowledge receipt of your favor of October 10th, confirming your telegram for some reinforcing fabric. As it happened I was out of town on Friday, but I learned that the matter has been fully attended to, and that today they will ship you six rolls, or equivalent to 3150 sq. ft., of our 24 fabric, 42" wide. If this fabric meets with your requirements and you will kindly notify me how much of it you will need ultimately, I will be very glad to make you a price that will probably be more satisfactory. As you state there will be several miles this probably would aggregate a carload or more, in which event we can make you a quotation of \$2.18 ^{per 100 sq feet} delivered at San Diego, direct shipment from the Mill.

Thanking you for the above order, we are,

Yours very truly,

WIRE PRODUCTS DEPARTMENT,
