

Dear Dan,

How do you like these manzanitas? An ALL ANGLO, less the house Mexican (Martinez), calling for a meeting to organize a LATIN AMERICAN COMMITTEE for Reagan-Bush '84 campaign.

With 3 active Hispanic Republican organizations in San Diego, it seems that the anglo still doesn't trust the Hispanic to do anything right, so they are organizing the committee themselves.

Talk about insensitivity. In conversation with Uvaldo, he knows and approves of the organization, and will not repudiate it.
