The Hon. Arthur J. Goldberg

Dear Justice Goldberg:

Some time when your time permits to have a leisurely conversation, I would like to discuss with you the troubles that I see laying ahead.

I wonder what you think of the attached memorandum. If it makes sense to you, perhaps you would want to take up this matter with the Attorney General. If the Attorney General is interested at all, I would very much appreciate having a relaxed conversation with him, both about the specific subject of my memorandum and about the long-term problems with which we are faced.

I would greatly appreciate your calling me over the telephone at your convenience and giving me your reaction before you take up the matter with the Attorney General. My phone number is HUDSON 3-6000.

With best wishes,

Yours very sincerely,

Leo Szilard

Dear Justice Goldberg:

Two weeks ago I sent you a memorandum to what I thought was your home address (2811 Albemarle Street, N.W., Washington, D.C.) If it did not reach you, I should appreciate your letting me know. If I don't hear from you I shall assume that the memorandum did reach you, but didn't make much sense to you.

I do not know whether the proposal made in the memorandum would be practicable. All I know for certain is that we are headed for serious trouble and somebody ought to think of something before long to change our course.

With best wishes,

Very sincerely yours,

Leo Szilard
