Mr. Wm N. Cook:

Dear Sir:

Your letter of July 5th received. — The description of my land is as I gave it, I think — N. 25th of $\frac{6}{12}$ of N. E. $\frac{1}{4}$ — That is how it is in the deed. — However N. $\frac{5}{16}$ of $\frac{6}{27}$ N. E. $\frac{1}{4}$ is the same thing — (not $\frac{3}{6}$ as you wrote it in statement) or N. $\frac{3}{8}$ of N. E. $\frac{1}{4}$ of N. E. $\frac{1}{4}$ — The principal error is in the Township which is certainly 14th — not 15th as it appears on last year's receipt — In regard to the other matter about which I wrote — the reduction of my assessment — so that one of your duties or shall I apply to the secretary of the Board? Please tell me when the equalizing of assessments takes place — As I wrote the discrepancy between the City & County, & Irrigation rate, is very great. — and I would mine reduced as much as is right. — Kindly right — the error of description of land, & also oblige me by answering this in both particulars, Thanking you for your former promptness — Yours truly
(Mrs) Zilda Turner
