Col. Ed Fletcher,
San Diego, Calif.,

My Dear Friend:

Am quite anxious to get in touch with you on a personal matter in which I believe that we are both very much interested, and will write you at length, just as soon as I receive a reply from you. It has to do with the next annual convention of the Broadway of America Association, and I shall await your reply with a great deal of interest.

You will recall the writer, through his Arkansas AAA connection, when he met you with Judge Thweatt, down at Texarkana, last April, and later, "we all were lost in the Arkansas mud, that memorable night" Well, I shall never forget that!

You all made history, and woke Arkansas up! It was a mighty bad "condition" down there, and still is, as a matter of fact.

That's what I want to take up with you by letter.

With every good wish to you, and through you to Mrs Fletcher,

Sincerely yours,

L. E. Warford.

Mr. L. E. Warford,

Friend Warford:

Glad to hear from you under date of the sixteenth.

I certainly remember with a great deal of pleasure the experience in the swamps of Arkansas.

The Broadway of America meeting is in the fall.

Will be very glad to hear from you.

Yours very truly,

Aug. 6th. 1929.

Col. Ed. Fletcher,
San Diego, Calif.,

Dear Col. Fletcher:

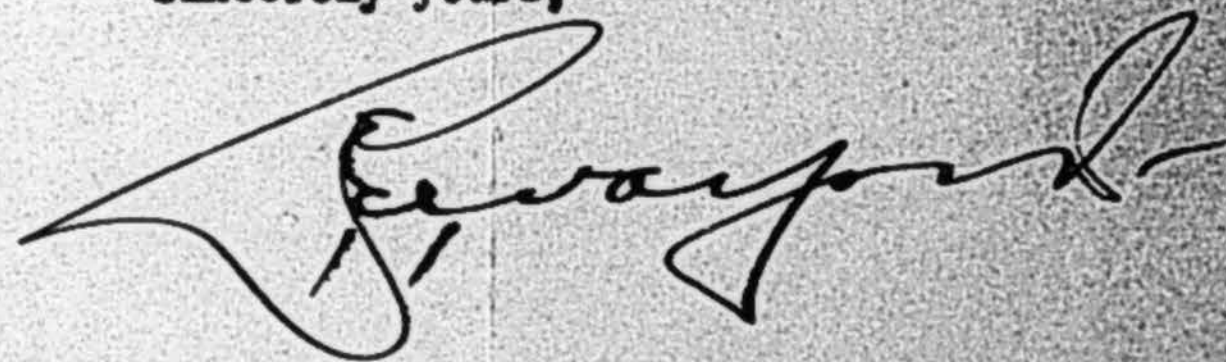

Am wondering how the Broadway of America Highway Association is getting along? Have not heard a word from anyone, with the exception of our mutual friend and real Highway booster, Judge Theatt. He tells me that he heard that Mr Stanley was not active anymore?

Am wondering when the Convention is to be held and where?

Would like to arrange to attend, and shall appreciate hearing fully from you.

Thanking you, and with all good wishes to Mrs Fletcher and your self,

Sincerely yours,

August 9th, 1929.

Mrs L. E. Warford
Albany, Oregon.

My dear Warford:

Glad to hear from you under date of August 6th.

The meeting in Memphis is the last of October. I shall not be there. After 20 years I have stepped out of National Highway work and the San Diego California Club is handling it.

I would suggest that you get in touch with H. L. Birney at El Paso. He has his fingers on the whole works.

With kind personal regards.

Sincerely yours,

EF:GW
