Dear Professor Szilard:

Mrs. Vollmer has called Dr. Lattimer's attention to the fact that you wish to be admitted as a patient into Harkness Pavilion. After conferring with Mrs. Vollmer, we arranged for you to be scheduled for admittance on October 14th, 1959.

We would appreciate your writing to us and confirming the above since we are holding your room until we hear from you. Your length of stay is indefinite at this time and will depend on the results of the tests.

Thank you for a prompt reply and confirmation of the above.

Very truly yours,

*Ruth Bergman*
