Dear Herman:

I received your letter of resignation Saturday, May 11, 1974, in which you stated you resigned from your offices of County Chairman and National City Chairman.

Herman, I accept your resignation with very much regret, being that you have brought M.A.P.A. back to its active role in politics. M.A.P.A. will surely miss your leadership. I hope our M.A.P.A. Chapter can work with you in the future.

Once again, as M.A.P.A. Second Vice-Chairman I regret receiving your resignation.

Sincerely,

Gloria Jean Valderrama
M.A.P.A. Second Vice-Chairman
