A CONFERENCE ON THE UNDOCUMENTED ALIEN

Commodore Perry Motor Inn
Superior & Jackson
Toledo, Ohio

March 17 & 18, 1978

One of the most complex and pressing issues facing our nation today is that of the undocumented alien. It is one which should be of vital concern to each of us and one which demands our attention and study.

In an attempt to offer deeper insights into this issue, we have invited from the United States and Mexico, experts in the area of immigration. They will deal both with the undocumented alien, his problems and his rights, and with the recent legislation proposed by President Carter, an analysis of this proposal and its implications and its impact.

Sponsored by:

In conjunction with:
