

No. **1281**

Date 15 JAN 1937

THE PATENT OFFICE,
25, SOUTHAMPTON BUILDINGS,
CHANCERY LANE,
LONDON, W.C.2.

Received documents purporting to be an Application for
a patent and an accompanying ^{Provisional} ~~Complete~~ Specification in the
name(s) of L. Szilard

These documents have been numbered and dated as above.

M. F. LINDLEY,
Comptroller-General.

N.B.—In the case of an application accompanied by a provisional specification, it is pointed out that unless a Complete Specification is left within TWELVE MONTHS from the date of application (or, with extension fee, 13 months), the Application is deemed to be abandoned. The investigation as to novelty prescribed by the Patents Acts, 1907 to 1932, is not made until a Complete Specification has been left.

The number and date of this Application must be quoted on the Complete Specification and Drawings (if any), as well as in any correspondence relating to the case.
