Enclosed is a packet of information concerning the CCR's "Call" for a National Protest March on February 11, 1979, against the militarization of the border and the construction of the "Carter Curtain."

The CCR has invited numerous national leaders, organizations and individuals from thru-out the count [REDACTED] Protest March. As is always the case, to organize a march of this magnitude, will require a serious commitment of time, effort and finances from those who are concerned. It is for these reasons that I am writing to you once again request [REDACTED] sending a financial contribution to offset the expenses which we will incur. Any amount that you can donate will be greatly appreciated and will insure that the February 11, 1979 March is a success.

NATIONAL PROTEST MARCH,

ORGANIZING RALLY

Keynote Speaker - Herman Baca

FOR IMMEDIATE PRESS RELEASE

The Committee On Chicano Rights, Inc., a San Diego based organization, has announced today that it is issuing a call for a "National Protest March" at the International Border, San Ysidro, California on Sunday, February 11, 1979.

The March is planned to coincide with President Carter's upcoming meeting with Mexico's President Jose Lopez Portillo in Mexico City on February 14 through 16, 1979.

Spokesperson for the Committee On Chicano Rights, Inc., also stated " that any agreement reached in Mexico City, will ultimately have an effect on the social, economic, and political future of the Chicano Community in the United States".

In addition, the National Protest March will allow the Chicano community to demonstrate a "United Front" to both Presidents on the following issues:

1. The strong opposition to the Construction of the "Carter Curtain" in San Diego, California and El Paso, Texas.
2. The opposition to the Carter Immigration Plan which is now before the United States Congress.
3. The opposition to the escalation of a Vietnam like militarization of the U.S-Mexico border.
4. The massive violation of human and constitutional rights by the U.S. Border Patrol in the Chicano community.

The Committee On Chicano Rights, Inc., also announced that it is inviting the following Chicano leaders from throughout the country to give the protest march a "national posture". Enclosed is a partial list of prominent National leaders, Church, elected officials and organizations which have been invited to attend February 11, 1979 March. (See attached list)
