

If, the Company Cottage is
cleaned and repaired
by Sat. I want to get
settled there as my
husband will be here
Sat. and can help me.

I also wish to thank
you for renting the
Company Cottage as
I cannot stand Cement
floors both at school
and at home. We
decided and told Mr.
Heacock Sunday that I
preferred the wooden
floors.

My dear Sir:

This is to thank
you for so kindly letting
me have the use of
your private Cottage for
three weeks.

I will leave it
nice and clean, just
as I found it.

I want to pay
you for the use of
it - if you will let
me know how much
you ask. Or let these
three weeks go in on
Company Cottage till
month ending Sept. 15th.

September 7th, 1929.

My dear Mrs. Wellington:

I acknowledge receipt of yours of the 3rd and contents noted.

There will be no charge for the use of my private cottage and glad to let you have it.

Please instruct Mr. Heacock to change the date of the lease to the date that you take over the Company cottage.

Your recommendations are gilt-edge.

With kind regards.

Yours sincerely,

Dear Sir:

This is to thank you again for the use of your cottage, and the "free use of it". I truly appreciate your kindness.

I also wish to thank Mrs. Fletcher for those nice curtains. They just match my furniture.

We will be very comfortable in the Co. cottage as soon as the roof and windows are fixed.

I took over the Co. cottage Sept. 8th

The little school house, where we have been so happy and comfortable proved a regular sponge during the recent four inch rain. The water fairly oozed thru the walls and stood in pools on the floor. The windows leaked terribly. The doors having no protection are so swollen I cannot lock them. One side of the roof is settling too.

I do not want to endanger the nine school children's lives from either dampness or a defective roof.

What would you advise us to do?

Please advise us before winter sets in as there is so much Red Tape attached to school affairs and time passes so quickly.

Dear Mrs. Wellington:

I thank you for your letter of the seventeenth.

I am sorry to hear about the house and we will go
after it immediately. Glad you like the curtains.

Please see Mr. Neacock and ask him to advise me
what should be done to make the school house satisfactory.

Yours truly,

EF:AK

P. S. Since writing the above Mr. Wright has been in
and he will be up to fix the house in a very few days.
