My dear Colonel:-

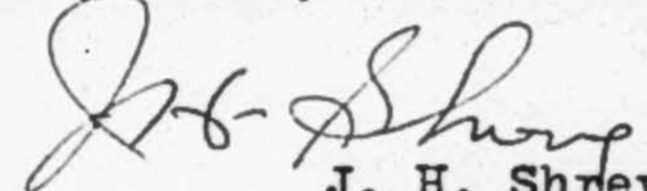

We are very anxious to have Del Mar Street in Point Loma paved, and we could do so if your firm would sign the petition. Wont you please take it up with them and see if you cannot help us to put through this street as it would be a great help to your property. In fact I believe it would do your property more good than ours, as we only have a few lots left. We think it will bring more travel through that neighborhood thereby helping our property.

Any assistance you can give us will be very much appreciated.

Yours very truly,

PANTAGES, MILLS, SHREVE & CO.

My dear Mr. Shreve:

At a meeting of the Board of Directors held on Monday, May sixth, it was the unanimous wish of the Board of Directors that you remain a member of the Club.

Your name was turned in with four or five others by Mr. Neale who claimed and took a 20% commission for making the sale.

His account was credited \$. The memberships were supposed to be sold at the regular price. On checking it up we found that there was no credit to your account and that you had been paid cash in the sum of \$100 by Mr. Warden, therefore it is necessary to collect the usual fee of \$220.

We regret that Mr. Warden complicated affairs to such an extent that we never did know where we were at..

If there is any question of doing you an injustice in the past the Board of Directors will attempt to correct same and would appreciate your writing us a letter stating any facts.

We sincerely hope that you will remain a member of the Club,

Sincerely yours,

My dear Shreve:

I was forced to take the chairmanship of the Community Chest for this year and your name has been given to me.

You know the work that we are doing. Raber of the Gas Company, Marston, Brockett of Ballard & Brockett, and about a dozen more of the most prominent men of this city have given a week or ten days of their time to this budget. I feel they have gone the limit in cutting it down and seeing that the money is safely spent.

I hope you can give us a liberal subscription and know you are interested in this charitable and welfare work.

Please add \$1.00 for Red Cross membership.

Thanking you in advance for this subscription for whatever you can do for us, I am

Sincerely yours,

Friend Shreve:

The Campaign is on. Enclosed find Community Chest card for your signature.

Can you not make it \$50 a month for 12 months? We need the money badly this year worse than ever.

Over 23,700 gave toward the fund last year. Jew, Gentile, Protestant and Catholic all agree on this worthy work - the only thing in the city of San Diego where all are working for a common purpose.

I am not on the Board of Directors of the Community Chest neither am I on the Budget Committee. My only duty is to lead the campaign to raise funds. I went into this as a matter of duty. I find it one of great pleasure and an inspiration after having visited the different agencies and finding out the needs of those less fortunate than ourselves.

Please go the limit in this matter and let me have your card if possible by return mail. Anything you can do will be appreciated.

Very sincerely yours,

EF:AK
