Dear Dr. Szilard:

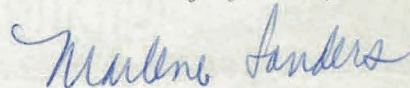

I'm sorry we couldn't work out an interview with Mike Wallace during your next trip to New York. But I think you're right that it might be out of date by the time we go on the air on June 5th.

You mentioned that you might be in town around June 4th (Sunday) or 5th (Monday). I will tentatively put you down for a taping on Tuesday, June 6th, in the hope that you will be able to do it on that day. However, I hope you can let me know definitely by mid May.

We are very anxious to have you on the program. Your last interview with Mike was most impressive, and from what he tells me, you have some provocative things to say about the current atmosphere in Washington.

We look forward to hearing from you.

Sincerely yours,

Marlene Sanders
Research Director

Dear Dr. Szilard:

Thank you very much for getting in touch with us about your forthcoming trips to New York. We have scheduled an interview for you with Mike Wallace on Tuesday, June 13. Would you please be at this address at 3:30 in the afternoon.

Unfortunately, I cannot at this time set up a preliminary interview with you. Perhaps June 3 will be possible, but I'll have to let you know later. If it is impossible, I will try to work something out at Cold Springs Harbor.

Best regards from Mike Wallace.

Sincerely,

Marlene Sanders
