United States Senate
COMMITTEE ON APPROPRIATIONS

Santa Barbara,
July 22, 1938.

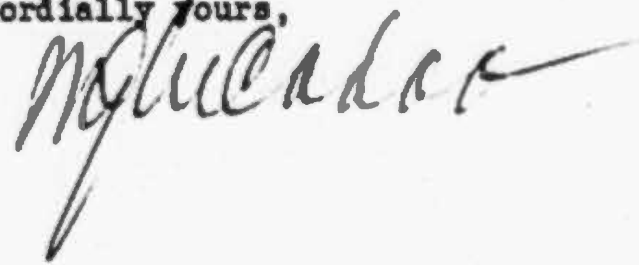

Dear Ed:

I am sorry indeed we missed each other at San Diego--especially so since it was just by a few feet!

I note your suggestions regarding the acquisition by the Federal Government of a redwood forest area. Perhaps you know that by a resolution I introduced a Joint Congressional Committee to Investigate Forest Resources was created, of the Senate half of which I am chairman. The Committee will hold hearings and doubtless will visit many important forest areas, and I shall be glad to bring your suggestions to the attention of the other members.

With best regards, I am,

Cordially yours,

Honorable Ed. Fletcher,
1020 Ninth Avenue,
San Diego, California.
