Dear Sir:

Relative to your letter of May 11th, beg to advise you that you were advised of both meetings of the Hawley Pipe Line Co. and being a Stockholder were entitled to be present at said meetings and express your views, not having done so of course this business was left up to those people interested enough to be present and hence the decision to lay the Line and divide the cost evenly. You are not compelled to go into the line at this time however there will be an assessment on the property owned by you and at such time that you may wish to come into the Line said assessment will have to be paid before you can get water.

However you must realize this one point, that regardless if you have one or ten acres that you could not lay a independent line to meet the district nor could you develop your own wells for \$500.00.

Trusting you will reconsider and come in with us but of course we leave that entirely up to you, we beg to remain

Very truly yours,

HAWLEY PIPE LINE CO.

Gentlemen:

Answering yours of the 29th do I understand that you are making an assessment against each individual ownership irrespective of whether they own an acre or a thousand in installing the new Hawley pipe line?

May I ask how many there are who will enjoy the benefits of this new pipe line and the acreage of each?

Yours very truly,

EF:ASK

Mr. Ed. Fletcher,

Dear Mr. Fletcher;

Relative to yours of the first. Our lowest bid on the line is \$4,798.60. We have at the present time eleven signers and we are expecting two more making a total of thirtenn there by making the line cost \$369.12 per signer. This is for the line complete and ready to operate. The only other expense will be the charge for meters.

We are having a regular meeting on June 7th of next week at 8 P. M. at the Youngjohn Ranch on Pepper Drive. At that time we expect to get all signers and be ready to start laying of the line with in a day or so after said meeting. We do have right now enough signers but are anxious to get a few more and keep the cost down at much as we can. How ever if you are unable to atten meeting I will let you know the exact number that sign and your ~~cost~~ ^{exact} cost. If you want that information let us know.

Sincerely yours,

Hawley Pipe Line Co.,
