This letter is in regards to my Visa Charge Account. I would like not to be called at my job or home. Please put it in writing and send it to my address.

I am enclosing a copy of my checks and money order to show you what I have paid into the account, which totals up to \$334.26. I would like to make payments of \$30.00 a month. If there is a time when I can send a little more I will do so. I had been sending regular payments until this summer, I did not have a job. I would like to know where I am to send my payment to. Will it be directly to you or to the Town and Country Charge?

Thank You,

Alicia Gasca

Re: Adoption of Maria de Los Angeles
Suarez Villanueva
by Juan and Estella Villanueva

Mr. Anthony Venegas
2119 Wilson Avenue
National City, California 92050

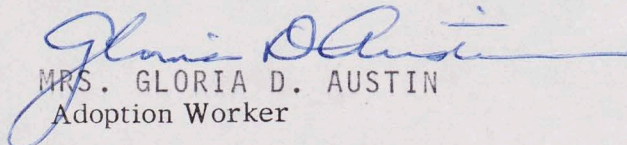

Your name has been given as a personal reference by the family named above who are considering the adoption of a child. They believe you can help us to know them better.

Would you be willing to write us a letter telling about this family and their home life? Adoption is a serious and permanent step for everyone concerned. We think, therefore, that it is important for us to know an adopting family well.

Some of the things we would like to know are: How long have you known this family and how often do you see them? What is each member of the family like? How do they get along with each other and with neighbors, friends, and relatives? Why do they want to adopt a child? Is each member of the family interested in children? Can each member of the family offer warm love to a child? What kind of example would a child have in this home? Would you be willing to have this family raise a child of yours? Since no one is perfect, what negative as well as positive qualities does this family have?

Won't you write us the kind of letter that you think will best help us to understand this family? We will hold the information you give us as strictly confidential. Thank you for taking the time to help us.

Very truly yours,

MRS. GLORIA D. AUSTIN
Adoption Worker

P.S. Please be sure your full name and address and the name of the family about whom you are writing is on your letter.

Dear Mr. and Mrs. Villanueva:

Enclosed is an authorization signed by the natural father of Maria. It authorizes you to provide any necessary medical or surgical care for the child prior to court action on your adoption petition.

This is to protect the child and to save delay or difficulty if a physician or hospital should refuse to give care on your authorization alone, since the legal responsibility of the natural father is not terminated until the adoption is completed in court.

Yours very truly,

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA
IN AND FOR THE COUNTY OF SAN DIEGO

In the Matter of the Petition of	*	REPORT OF THE SAN DIEGO COUNTY
JUAN ANTONIO CORONADO VILLANUEVA	*	DEPARTMENT OF PUBLIC WELFARE
ESTELA SUAREZ VILLANUEVA,	*	NO. A 19246
Adopting Parents	*	

The San Diego County Department of Public Welfare, an agency licensed by the State Department of Health, in conformity with Section 226 of the Civil Code of California, presents its report in the matter of the petition of JUAN ANTONIO CORONADO VILLANUEVA and ESTELA SUAREZ VILLANUEVA for the adoption of MARIA DE LOS ANGELES SUAREZ VILLANUEVA, also known as MARIA DE LOS ANGELES LIRA.

All necessary consents have been obtained, and the San Diego County Department of Public Welfare recommends approval.

MINOR:

The minor, birth registered as Maria de Los Angeles Lira, was born October 1, 1960, in Tijuana, Mexico (verified). The birth certificate gives the maiden name of the natural mother as Silvina Suarez and the father's name as Carlos Haro Lira, determined

to be the legal father.

The petitioners and the legal father state that placement of the minor was arranged by themselves. The petitioners stated that they did not pay the natural mother's medical and hospital expenses. The minor and the petitioners are related; the woman petitioner is a maternal aunt to the minor. The petitioners received the minor from the legal father in November, 1974, and the minor has remained with them continuously since that time.

According to a recent medical report, the minor is in good health and appears to be developing normally. She appears to be adjusting satisfactorily in the petitioners' home. She is in the tenth grade at Mar Vista High School where her reports and grades are reported to be satisfactory.

NATURAL PARENTS:

According to the woman petitioner, the natural mother, Silvina Lira, nee Suarez, was born in 1933 in Guadalajara, Mexico. Her death certificate gives the date of her death as August 12, 1970 in Guadalajara, Mexico (verified).

The legal father, Carlos Haro Lira, adopted the minor in a step-parent adoption in Los Angeles Superior Court on November 24, 1969 (verified). The legal father has met the petitioners and is satisfied with them as parents for his child.

ADOPTING PARENTS:

The man petitioner, Juan Antonio Coronado Villanueva, was born May 8, 1941, in Guadalajara, Mexico. He received a tenth grade education. For the past four years he has been employed at the Classic III Supper Club where he is assistant manager. The physician who examined him on October 3, 1975 reported no evidence of organic

or functional disorder. The man petitioner reported no previous marriages.

The woman petitioner, Estela Perez Villanueva, nee Suarez, was born August 8, 1943, in Guadalajara, Mexico. She received an eighth grade education. The physician who examined her on October 3, 1975 reported no evidence of organic or functional disorder. The woman petitioner reported no previous marriages.

The petitioners were married on May 28, 1965, in Tijuana, Mexico (verified). Four children have been born to this union. They appear to accept the minor as a member of the family. Reports of the school children show that their grades and adjustment are satisfactory.

The man petitioner receives \$1,000.00 per month from his employment,(verified). The petitioners are purchasing a modest mobile home for \$7,000.00 on which they owe approximately \$4,000.00. They have no life insurance and modest other resources. The petitioners have supplied a financial statement to show that they are able to provide an adequate home for the minor.

The petitioners appear to have a compatible relationship and a basic understanding of the development and needs of children. This continuity is also very important to the extended family constellation. Emotional ties appear close, the petitioners wish to accept complete legal responsibility to insure the minor remaining with them. They accept the lack of complete background information on the minor. References state that they are proper persons to rear a minor child.

CONSENTS:

The legal father, claiming sole custody, freely and willingly

signed the attached consent on October 14, 1975 before a representative of the State Department of Health in Los Angeles County, California.

The minor freely and willingly signed the attached consent to her adoption on September 18, 1975 before a representative of the State Department of Health in San Diego County, California.

No consent from the natural mother is necessary as she is deceased.

EVALUATION:

It appears to the San Diego County Department of Public Welfare that the minor is available and adoptable and that the petitioners' home is a good setting for her.

RECOMMENDATION:

IN VIEW OF THE FOREGOING FACTS, the San Diego County Department of Public Welfare accepts the consents of the legal father and minor, consents to the adoption, and recommends that the petition of JUAN ANTONIO CORONADO VILLANUEVA and ESTELA SUAREZ VILLANUEVA for the adoption of MARIA DE LOS ANGELES SUAREZ VILLANUEVA, also known as MARIA DE LOS ANGELES LIRA be granted.

DATED THIS NINETEENTH DAY OF NOVEMBER, 1975.
