Mr. D. A. Fraser, Sec.,  
County Highway Commission,  
San Diego, Calif.

My dear Mr. Fraser:

Please take this matter up with me at  
the next meeting of the Board. In the mean time,  
before the next meeting, will you please go down  
to the District Attorney's office and find out how  
many cases there are where warrants have been issued  
for the arrests of different truck men who have vio-  
lated the state law and when they come up for trial.  
Also get a copy of the complaint as to what was the  
weight of the truck, etc.

Get all the information you can as to who  
the guilty parties are and find out if many cases have  
been brought to trial or cases dismissed without trial.

Please have this information for the next  
meeting of the Board, simply saying that the Commission  
desires this information.

Yours very truly,
