File No. 280-21

Mr. Thos. O'Halloran,
Watts Building,
San Diego, California.

My dear Tom:

I am sorry that I have missed you, but you should
have telephoned first.

I have been very busy working for the dear state
and county on highway matters, chasing my head off. At
the request of the Board of Control I asked you and Edwin
Goodwin to get together and sign a joint report, if you
can, if not each make up a separate report, signing by
your official title, showing the value of the property
as of May, 1923 of Lot "A", being 158.4 ft. on Carolina
Street and part of the Normal School grounds, marked x on
the map.

Will you let me have this report, addressed to
the State Board of Control, but they want my recommendations
as well, and I would like to send all the recommendations
up at one time.

I want a valuation of the land as of date of
May, 1923, also a separate valuation on the improvements.

Yours sincerely,

EF:KLM
