Mr. Ed. Fletcher, Agr.
San Diego Calif.

Dear Mr. Fletcher:

It seems that the land described as the north-west quarter of the north-west quarter (NW¹/₄ NW¹/₄) of Section Eleven (11) Township Fifteen (15) South, Range two (2) west S B M, stands in the name of Harshaw.

There is an old road across this land, which leads up and across the range at that point, and there is no other way of getting across; Will you kindly grant permission to use this road across the above mentioned land. There will be no expense to you for clearing ^{the road} it out

and filling in the washouts. Your favorable consideration of this matter will be greatly appreciated.

The land is not cultivated or used, so it will not interfere with any farming operations.

Very truly yours
M. L. Parrotte

I will be glad to cooperate with you in every way I can.

Yours very truly,
