Thomas H. King  
#3225 Granada Ave  
City:

Dear Sir:

I have held my Del Mar property for so many years that I feel I cannot and ought not to sell it for less than one thousand dollars cash, no terms, on which I would pay usual 5% commission. I have a lot of other property which I would sell on terms, but none at Del Mar other than the piece referred to.

Yours truly

My dear Mr. Matthews:

Your favor of the 7th instant, enclosing permit for me to fish in Cuyamaca and Murray Dams during the present year, received.

I thank Mr. Fletcher most sincerely for his kindness in this matter. If there is one thing in this world in the way of sport that I enjoy, it is fishing.

Sincerely yours,

Mr. H. S. Utley,  
Court House,  
San Diego, Calif.

My dear Mr. Utley:

Confirming our telephone conversation today, inclosed find receipt for taxes paid by Mr. Cable, certificate Nos. 4586, 15,877, 7,110, 35,490, 41,824, 22, 40,520, 41,827, - total amount being \$920.91, which has been paid by Mr. Cable to the County. The penalties, however, in each case are 20, 30, 40, 45, and 50 percent, and through an oversight, no claim was made to the Board of Supervisors by Mr. Cable, and the County supervisors. I hope you can see their way clear to reduce these penalties to 10 percent.

I am filing the claim on behalf of Mr. Herman H. Cable, who is a personal friend of mine and for whom I am asking your consideration, hoping you can see your way clear to recommend to the Board of Supervisors that a rebate be paid Mr. Cable in conformity with the settlement made by Mr. Cable this day with the Supervisors, whereby he secures the reduction in penalties heretofore mentioned, and which would have been granted to Mr. Cable, had he asked for it or had he known about it at the time.

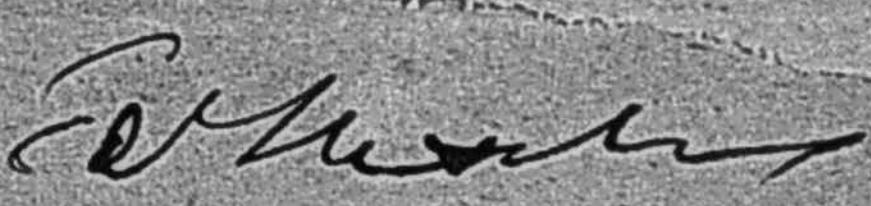

The property above mentioned was sold to the State of California June 28, 1922.

Yours very truly,

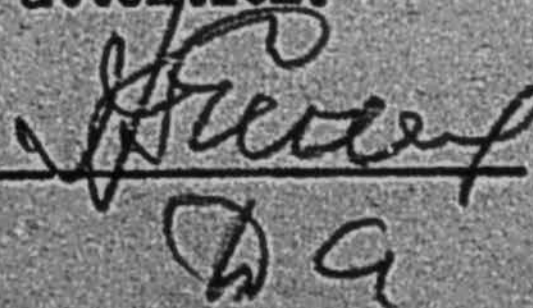

EF:AH

Mr. Ed Fletcher:

I acknowledge receipt of the above mentioned paid certificate, and the matter will have my attention.
