Gentlemen,

A few words in reference to that Ninty-day Note; As I do not make any money here, my finances depend upon my working in San Diego, I have plenty work there to do to meet all my financial obligations when I can get to it.

I have been unable to get any one I could trust to stay here and take care of the place, so I have not been able to go to San Diego and work, altho I had to take a week off in the Hospital with Blood-poison, just returned.

I just can not get away for any time until July or later, I will have to stay at home and await developments.

Very Truly Yours,

J. W. H. Taylor

Dear Sir,

There is a great possibility that I could
be a profitable Aid to you in that Development
Project of which you spoke this A M.

MY Time Book shows the Date to be: May and June
Nineteen-hundred-six, when I Engineered the laying
of the Cities Water Main, in the Town of Wilcox,
Arizona.

The Development of Natural Resources, and the
Beautifying of New Homes, etc. is my Strong Point.

Very Respectfully yours,

J. W. Taylor

Friend Taylor:

Answering yours of the twenty-second will say if anything
comes up where I can throw any business your way I will
be glad to. There is nothing in site at the present time.

I am afraid you will have to make a private loan of
\$100. The bank will grant you a loan if you have
satisfactory security. I would like to make the loan
to you my self but it is out of the question at the
present time.

Sincerely yours,
