Mr. Vaughn,
Jacumba, California.

My dear Vaughn:

Enclosed find copy of letter from Walter C. Smith, county engineer of Pinal County that is explanatory.

Imperial Valley pledged \$1,000 but only \$200 has been sent. Won't you please send \$100, or any amount you feel you can, to Mr. W. P. Clements, president of the Casa Grande Valley Bank, Casa Grande, Arizona, who is treasurer handling this fund. This is a vital matter.

Smith has moved Pinal county's entire equipment over into Maricopa County to complete this road and we are dead wrong not to play the game with them. They have already spent thousands of dollars to build this stretch of 40 or 50 miles, which gives Imperial Valley and San Diego County a lead-pipe cinch on through travel.

I hope you will do what you can to help the good work along.

Yours very truly,

EF:KLM

Mr. Bert L. Vaughn,
Jacumba, California.

My dear Bert:

Thanks kindly for coming to the rescue. It is vital that this S. P. Cut-off be completed. The San Diego banks gave \$500, the merchants here about \$1500.

Phoenix doesn't want the road built because it cuts them off the map but it shortens the distance across the continent 92 miles.

Don't fail to do your part. This is the last time I will ever ask you for money for any highway construction.

With kind regards, I am

Yours very truly,

EF:KLM
