Dear Meselson:

The attached letter is meant for you and those others whose names are listed in the memo "The Next Step". I should be very grateful to you for reading the attached letter and the enclosures, and for advising me as soon as possible whether you are willing to serve as an Associate.

I hope very much that you will agree to serve as a Fellow and that you will not disqualify yourself from serving on the Board of Directors of the Council.

Sincerely,

Leo Szilard
