My dear Sir:-

Replying to your favor of April 30th, I advise that at present this office is not in a position to furnish the requested certificate, to the effect that certified copies of all the laws are on file in the General Land Office, etc. We have been advised by the Commissioner of the General Land Office that it will be necessary to forward certified copies of all statutes subsequent to the year 1905. We are taking up this matter with the Board of Control and anticipate that we will be able to issue the desired certificate in the near future. Unless you can wait, we suggest that you prepare copies of the laws pertinent to the application and send us the same for certification.

Very truly yours,

F. C. Jordan
Corporation Secretary.
