Re: Revenue Sharing Petitions

Dear Friends:

Please find enclosed copies of the Revenue Sharing Petitions which have been filed against the City and County of San Diego in your name. As I explained to Carlos on Monday, no action will be necessary on your part until after the revenue sharing office fails to take any action on the petition. If the Office of Revenue Sharing contacts you for some reason, please advise me before responding. I will return to my office on December 22.

These petitions are part of a state-wide effort to show the inadequacy of the enforcement staff within the Office of Revenue Sharing. The aim is to obtain better legislation and to obtain more minority employment for both the City and County.

Ralph Arreola says that he is now working on a similar petition for National City, and I know that is the area in which you are most interested.

Sincerely,

  
VICTOR HARRIS
