Dear Sir.

Enclosed herewith  
please find M.O for \$15.00  
covering payment due 19th  
I regret my inability to  
meet the interest payment  
due and must ask you  
to wait a little while.  
Business here has been at  
a standstill but will  
no doubt improve from  
now on as vacations are  
beginning. I will try to  
pay the interest in about  
30 days and trust you  
will find it convenient

to grant the extension.  
Thanking you for  
courtesies extended in  
past I beg to remain

We are writing to let you  
know that we do not wish you  
to think that we are deliberately  
pulling off the payment of interest.  
Ordinarily business opens up  
about June 1st and we had  
anticipated the same volume  
of business as last year  
at that time but an un-  
expected element has entered  
into our calculations with  
accompanying disappointment.  
Opening of the new Roosevelt  
highway has cut into the  
traffic here so heavily that  
we have perhaps not more

than 75% of normal this  
season and on top of that,  
owing to the widening of  
Ventura Blvd., traffic is being  
diverted out of Hollywood  
again appreciably reducing  
travel on Ventura Blvd. to  
a minimum; consequently  
business is at an extremely  
low ebb and precludes  
the possibility of making  
the interest payments  
depending upon business  
mainly derived from the  
traveling public.  
However, we do  
not wish to give up  
and in order to remedy  
and retrieve what appears  
a hopeless situation we  
have decided to transform

moderate sum for equipment  
and a little time to re-  
arrange our business  
and advertise the fact.

We will very much  
appreciate a reply from  
you before we take  
this step and will thank  
you to answer this letter  
at an early opportunity.

Our regular monthly  
payments will continue  
as usual and as soon as  
revenues show the expected  
increase we shall make  
every effort to get up to date  
with the interest.

Yours sincerely:

We feel that such  
a place of recreation  
and amusement for the  
local people of our com-  
munity will be welcomed  
and patronized, especially  
as we are well liked by  
almost every one here.

And by thus no  
doubt materially increasing  
our revenues we should  
be able to in time meet  
our regular interest pay-  
ments as well as liquidate  
those just due.

Of course we would  
have to ask you to be  
lenient for the time being  
as it will require a
