El Cajon, Cal.

Dear Madam:-

This Company is in receipt of a check for \$40.00 for which you have been given credit. This payment leaves an unpaid balance of \$40.10.

This Company desires to furnish every reasonable accommodation in the matter of payment of water bills, but the rules and regulations approved by the Railroad Commission do not permit us to allow these bills to remain unpaid for any length of time.

I enclose a 30 day note for \$40.10 which I would ask you to sign and return to the Company. The purpose of this note is to protect the Company against any accusation of discrimination against consumers who are compelled to pay their water bills as they become due.

Very truly yours,

Assistant Manager.
