

Letter to be written members of the University Club.

October Twenty-ninth,
1 9 2 9

Dear Fellow Members:

You have no doubt received notice to go to Sikes and have your picture taken.

Geogge Champlin has been working his head off trying to get all the fellows down there so they can get the album out as soon as possible but it seems like a few of the members are putting it off.

I would consider it a personal favor to myself and I know George will feel the same way if you will immediately go to Sikes' Studio in the Cabrillo Theatre Building and have your picture taken. There is no cost attached to this. The Club has made the arrangements but, if you should find that you want some pictures finished up for yourself and for your friends for Christmas it would be a nice time to have this done.

Yours for a big year,
