

January 7th, 1929.

Mr. John Teten,
Del Mar, California.

My dear Mr. Teten:

In plowing you broke a pipe which furnished water to the Mexican on our ranch. The water ran away with a large loss. The Mexican has refused to pay the bill of something like \$36.00 for water for the month and the water has been shut off. The normal water bill was only \$3.00 or \$4.00.

He has refused to pay rent and the situation is in a bad mess.

I feel the least you should do is to send a check for \$25.00 for the damage. In my opinion, you are liable for all the damage, but let's do the fair thing and send me a check by return mail so that I can clean up this mess and oblige.

Very truly yours,

EF:AK

Are you going to stand part of the expense for the damage you did to the pipe lines on the Leinhardt place? If so kindly send check, and oblige.

Do you care to lease the place for a year?

Yours truly,

Mr. John Teten,
Del Mar, Calif.

My dear Mr. Teten:

I thank you for the Indian
pottery and I will appreciate anything you can do to
help me get some more thru Mr. Walters.

Please give me an order on the
Preston warehouse for my beans, so I can dispose of
them. Have you sold yours, and at what price, or do you
know where we can sell them. I take it for granted they
are recleaned and ready for sale.

We will send you a lease for this
coming year for beans on my own lands within the next
few days, subject, however, to my disposing of them
before you put your crop in, but if you have put your
crop in you will be allowed to harvest it.

Yours very truly,
