Mr. Ed Fletcher,
920 Eighth St.
San Diego, Calif:

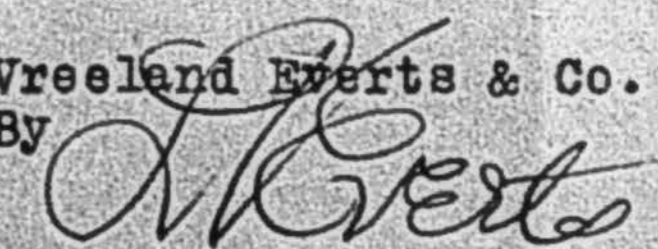

Dear Sir:

As requested by you, we have started an investigation of the accounts and affairs of the S.L. Studios. We understand you have guaranteed to us the payment of our account up to \$150.00. As stated to you today, we doubt if a complete investigation can be made for the amount mentioned above. If we can complete the work for \$150.00 or less we will be pleased to do so. If we cannot complete the work satisfactorily for the amount mentioned, we will advise you what we have done for the amount mentioned and at that time you can advise us what further is desired, if anything, and who will pay the excess amount over your present guarantee if more money is needed to complete the work. If our understanding of the situation as outlined above is not correct, please advise us at once.

Yours respectfully,

Vreeland Everts & Co.

My dear Leslie:

Mrs. Moody probably knows as to the authenticity
of practically every voucher, as to whether to accept
it on its face or not - at least she feels that she
can assist you in determining this, and for that
reason I suggest that you have Mrs. Moody assist
you wherever possible.

My dear Leslie:

I suppose you have been busy with the East San Diego matter, but how are you getting along with the S. L. Studios?

Gottesburen is 100% o.k., and can help you out on most of the matters where there is any question about it, as he has been working for them for sometime. When do you expect to have the report out?

Yours very truly,

Dear Ed:

Without comment Mr. Hart returned to us the books of the S.L. Studio. Previously he had asked us to make up their income tax return which we had agreed to do. We are also assuming that we are presumed to complete the audit.

Previously you guaranteed this work up to \$150.00. Our accumulated charge at present amounts to \$182.30. We are ready to proceed with the work as soon as your good self, or any other reputable business man or men, will guaranty the account up to \$300.00. We believe the audit desired can be completed for that amount. However, we cannot guarantee anything more than conscientious service and an honest attempt to complete the audit for \$300.00 or less.

The income tax work will be additional and will be charged direct to the trustees of the S.L. Studio, and not against your guarantee.

Please let us hear from you as soon as possible so we can proceed with the work, otherwise the books are liable to be taken away again.

Yours sincerely,

VREELAND EVERTS & COMPANY

Gentlemen:

In connection with an audit we are making for
the S. L. Studios it appears, according to their books
of account, that they had on deposit with you on December
31, 1923 an amount of \$1500.00. Please advise us if this
is correct. Also advise under what conditions this deposit
is held by you, and whether or not it was in your possession
as late as March 15, 1924.

Thanking you for this information, we are

Gentlemen:

Answering yours of March 17th, will say the only money the Cuyamaca Water Company has on deposit belonging to the S. L. Studios is \$25.00, which is dated September 7th, 1922, and is a deposit for domestic water.

For heaven's sake, you had better check up everything of this kind, and then put two or three of these men in the penitentiary.

Yours very truly,

CUYAMACA WATER COMPANY.

Dear Ed:

Enclosed please find our bill for \$300.00 in connection with work done for the S.L. Studios at your request. As you will notice, the work cost us \$373.10, but under our agreement with you we are donating the \$73.10 and billing you for the balance, \$300.00. As we have had money tied up in this account since last December when the work was started, and due to the fact that we are making considerable of an allowance on the cost of the work to us, we would greatly appreciate a remittance in the near future.

Thanking you for the favor, we are
