Mr. Roger S. Ruffin,  
San Diego Consolidated Gas & Electric Co.,  
San Diego, California.

Dear Mr. Ruffin:

I understand that there is to be a vacancy in your company on February first on account of illness of a party in the paint department.

This will introduce Mr. Neary whom we have known for some time and can recommend to you very highly in this line of work.

I would very much appreciate it if you would take him to the property party and do everything you can to help him secure this position and it will be very much appreciated.

Sincerely yours,

EFjr:AK

Dear Mr. Holloway:

This will introduce a thoroughly reliable chap, Claud Rikards.

He is an athletic member of the San Diego Athletic Club and has made a record for himself and for the club.

We want to keep him here the worst way and he is looking for a position. Would you please go the limit for him. If not in your department in some other department and it will be greatly appreciated.

Yours truly,

Mr. R. S. Ruffin,  
c/o S. D. Cons. Gas & Elec. Co.  
San Diego, California.

My dear Ruffin:

I find that the Southern Title do not hold title to the land at Solana Beach any longer.

Will you send me a new easement to sign for the pole line to the sewer pump? Enclosed is the description of the easement which was on your original easement and which the title company put on one of their own forms and then after signing same and delivering it to me to deliver to you they called me up and said that they no longer held title and asked that you make out a new easement for Fletcher to sign.

I hope you will do this immediately and get the pole line in as soon as possible.

Sincerely yours,

EFjr:AK

Dear Mr. Ruffin:

When are you going to put that electricity in to  
Fletcher Hills?

Our friend, Stanley Byers, has his house almost  
completed and will want electricity very shortly.

Yours sincerely,
