May 25, 1945

The Honorable Harry S. Truman
The President of the United States
The White House
Washington, D. C.

Sir:

I have the honor to transmit to you a letter of introduction written by Professor Albert Einstein to the late President of the United States to whom--on account of his early death--I was unable to present it. The document to which Mr. Einstein's letter refers is attached as a second inclosure and is respectfully submitted for your consideration.

Very truly yours,

Leo Szilard
