# USING THE LIBRARY

## Library Access and Service Hours

[lib.ucsd.edu/hours](http://lib.ucsd.edu/hours)

## Library Website

Start at the Library website to learn about and locate Library resources and services.

[library.ucsd.edu](http://library.ucsd.edu)

## Borrowing

Use your UC San Diego ID to check out materials at self-checkout. Visit the Service Hubs at Geisel Library and WongAvery Library for assistance.

[lib.ucsd.edu/borrow-and-request](http://lib.ucsd.edu/borrow-and-request)

## Your Library Account

Use your UC San Diego Single Sign-On credentials to access your Library Account to view, manage, and renew items you have checked out; request books for pick up; request scanning of UC San Diego-owned items; or request books from other libraries.

[lib.ucsd.edu/my-account](http://lib.ucsd.edu/my-account)

## Course Reserves

Find books, articles, and other materials "on reserve" for your courses. You can access online materials 24/7 and access physical materials during Geisel Library's open hours in the Service Hub.

[lib.ucsd.edu/reserves](http://lib.ucsd.edu/reserves)

## Access the Library Off-Campus

Configure UC San Diego's VPN (Virtual Private Network) to access e-books, online journals, course reserves and databases off-campus.

[lib.ucsd.edu/vpn](http://lib.ucsd.edu/vpn)

## Get the Help You Need

Have a question about the Library? Need research help fast? Ask us via chat, email, phone, or in person.

[lib.ucsd.edu/ask](http://lib.ucsd.edu/ask)

## Study Spaces

Find a study space that meets your needs. For UC San Diego students, a study space in Geisel Library is open 24/5 Sunday–Thursday and 24/7 during 10th and Finals Weeks.

Reserve group study rooms in both Library buildings in advance.

## Graduate Study Lounge

The Grad Study Lounge is located in the WongAvery Library Breezeway and is available 24/7 for graduate students with pre-authorized card access.

[lib.ucsd.edu/grad-study-lounge](http://lib.ucsd.edu/grad-study-lounge)

## Computing

PCs and Macs are available at both Geisel Library and WongAvery Library. A list of computing options is available online.

[lib.ucsd.edu/computing](http://lib.ucsd.edu/computing)

## Digital Media Lab (DML)

Located in Geisel Library, the DML provides UC San Diego students, faculty and staff a space to use image, video, sound and 3D creation and editing software.

[lib.ucsd.edu/dml](http://lib.ucsd.edu/dml)

## Data & GIS Lab

Located in Geisel Library, the Data & GIS Lab provides resources to help find, use, work with, organize and manage geospatial, numeric and textual data in various formats. The Lab also serves as the primary campus base for GIS services and access to GIS data and software.

[lib.ucsd.edu/data-gis-lab](http://lib.ucsd.edu/data-gis-lab)

## Tech Lending

UC San Diego students, faculty, and staff can borrow items such as device chargers, adapters, flash drives, headphones, and more. Select items are available from the Service Hubs in each Library building, as well as from Geisel's BorrowBot. Check UC Library Search in advance for item availability and location.

[lib.ucsd.edu/tech-lending](http://lib.ucsd.edu/tech-lending)

## Printing and Scanning

Wēpa self-service printing is available throughout the two Library buildings. Self-service scanners are also available in each building and provide quick, high-quality scans of print materials.

# VISITING THE LIBRARY

# LIBRARY RESOURCES

## Get Started with Your Research

Find an overview of Library resources and services to aid your research and coursework.

[lib.ucsd.edu/get-started](http://lib.ucsd.edu/get-started)

## Find Books, Journals, Videos and More

Use UC Library Search to identify and locate books, e-books, articles, online journals, media, and more. You can also request UC San Diego-owned books for pick up near the Service Hubs in both buildings.

[lib.ucsd.edu/uclibrarysearch](http://lib.ucsd.edu/uclibrarysearch)

## Find Articles

Use databases to search for articles on particular topics. Many articles are available in full-text within those databases.

[lib.ucsd.edu/find-articles](http://lib.ucsd.edu/find-articles)

## Find and Request Materials from Other Libraries

If the Library doesn't have a book or article you need, request items through UC Library Search to have articles emailed or books delivered to UC San Diego for pick-up.
