Library Resources and Services

UC San Diego LIBRARY

Using the Library

Library Access and Service Hours

lib.ucsd.edu/hours

Library Website

Start at the Library website to learn about and locate Library resources and services.

library.ucsd.edu

Borrowing

Use your UC San Diego ID to check out materials at self-checkout. Visit the Service Hubs at Geisel Library and WongAvery Library for assistance.

lib.ucsd.edu/borrow-and-request

Your Library Account

Use your UC San Diego Single Sign-On credentials to access your Library Account to view, manage, and renew items you have checked out; request books for pick up; request scanning of UC San Diego-owned items; or request books from other libraries.

lib.ucsd.edu/my-account

Course Reserves

Find books, articles, and other materials “on reserve” for your courses. You can access online materials 24/7 and access physical materials during Geisel Library’s open hours via the BorrowBot.

lib.ucsd.edu/reserves

Use the Library From Off-Campus

Configure UC San Diego’s VPN (Virtual Private Network) to access e-books, online journals, course reserves, and databases from off-campus.

lib.ucsd.edu/vpn

Get the Help You Need

Have a question of any kind? Need research help fast? Ask us via chat, email, phone, or in person.

lib.ucsd.edu/ask

Study Spaces

Find a study space that meets your needs. For UC San Diego students, a study space in Geisel Library is open 24/5 Sunday–Thursday and 24/7 during 10th and Finals Weeks. Reserve group study rooms in both Library buildings in advance.

lib.ucsd.edu/reservations

Graduate Study Lounge

The Grad Study Lounge is located in the WongAvery Library Breezeway and is available 24/7 for graduate students with pre-authorized card access.

lib.ucsd.edu/grad-study-lounge

Computing

PCs and Macs are available at both Geisel Library and WongAvery Library. A list of computing options is available online.

lib.ucsd.edu/computing

Digital Media Lab (DML)

Located in Geisel Library, the DML provides UC San Diego students, faculty, and staff a space for video and sound editing, image manipulation, media-rich website creation, and app development. Assistance is available during open hours.

No experience necessary.

lib.ucsd.edu/dml

Data & GIS Lab

Located in Geisel Library, this Lab is the place for UC San Diego students, faculty, and staff to get hands-on assistance with data and GIS software and with finding, managing, analyzing, and visualizing geospatial, numeric, and textual data.

lib.ucsd.edu/data-gis-lab

Tech Lending

UC San Diego students, faculty, and staff can borrow items such as device chargers, adapters, flash drives, headphones, and more. Select items are available from the Service Hubs in each Library building, as well as from Geisel’s BorrowBot. Check UC Library Search in advance for item availability and location.

lib.ucsd.edu/tech-lending

Printing and Scanning

Wēpa self-service printing is available throughout the two Library buildings. Self-service scanners are also available in each building and provide quick, high-quality scans of print materials.

lib.ucsd.edu/printing

Library Resources

Get Started With Your Research

Find an overview of Library resources and services to aid your research and coursework.

lib.ucsd.edu/get-started

Find Books, Journals, Videos, and More

Use UC Library Search to identify and locate books, e-books, articles, online journals, media, and more. You can also request UC San Diego-owned books for pick up near the Service Hubs in both buildings or at Campus Curbside in the Gilman Parking Structure.

lib.ucsd.edu/uclibrarysearch

Find Articles

Use databases to search for articles on particular topics. Many articles are available full-text within those databases.

lib.ucsd.edu/find-articles

Find and Request Materials From Other Libraries

If the Library doesn’t have a book or article you need, request items through UC Library Search to have articles emailed or books delivered to UC San Diego for pick-up.
