

## LAUC-SD R&PD Committee Meeting

October 9, 2000

Special Collections Seminar Room

Present: Mary Linn Bergstrom, Karen Cargille, Jim Church, Lynda Claassen, Karen Lindvall-Larson (recorder), Nancy Stimson (chair)

### 1. Program planning

Teleconferences: the Committee agreed to sponsor both the e-journals and UCITA teleconferences. After discussion, it was decided to limit them to UCSD Libraries librarians and staff. Mary Linn will check on the availability of CLICS or the Seuss Room.

Marketing program: Nancy received a response from Jacquelyn Siminitus, the library advocate at Pacific Bell. The Committee decided to try to schedule a presentation by her (with a focus on academic libraries) after January 2001, preferably in late February or early March.

Tempe principles: This presentation would focus on scholarly publishing and could be formatted as a dialogue between Brian and Stan Chodorow. A March or April date would be best, and refreshments would be served.

Hot talks: Jeff Williams presented a talk at CARL that could be scheduled here, maybe in conjunction with a talk by Brad Westbrook on a future conference presentation. Barbara Slater recommended showing videos on training, it was agreed that Human Resources should screen them. Brian recommended we invite Lee Starr to speak on classification theory, need to review that request in the spring.

### 2. Information on locally funded research proposals on LAUC website

Nancy will collect the information from funded librarians and give the information to Jim for our website.

### 3. LAUC journal subscriptions

Karen C. will have information on journals for the LAUC November meeting. It will include what we are paying for; ask for input on what the membership wants us to do, particularly when e-journals have appeared; and ask for additional suggested titles.
