Summary Minutes

Positions within the committee were volunteered for as follows:

Chair and Summary Minutes: Karrie
Treasurer: Anna
LAUC Statewide Rep: To be decided (Rob or Penny)
Web site: Sue
Equipment Manager: Sue

Discussion

We discussed the need to get a clearer picture of the financial situation, especially as regards policy, and to figure out a way to make this more known to the membership or even possibly bring a proposal to the membership that clarifies policy for use of the funds.

We discussed a program of promoting research on campus among our colleagues by various means: a workshop giving an overview of research methodology, calls for money requests with deadlines attached, calls for a certain number of specific money requests, such as poster sessions, hosting an in-house research review of poster sessions, etc.

We discussed planning a symposium or a series of speakers of interest to the members.

Action Items

- Rob will distribute the survey results to committee members before next meeting
- Rob and Penny will decide between them who is to be Statewide LAUC R&PD rep and let Karrie know so she can tell our local LAUC Pres.
