

## **Research & Professional Development Committee Meeting of June 18, 2004**

Attendees: Jim Cheng, Penny Coppernoll-Blach (recorder), Sue McGuinness, Rob Melton

### 1. Proposal from IOC on Learning Styles and Technology

R&PD has received a proposal to help fund a program on how the Net Generation of college students seek and process information. We agreed to fund up to \$200, with the proviso that we are trying in the future to fund programs that focus more on research.

### 2. Committee changes (members rotating off/recruitment of new members)

Rob Melton will be rotating off R&PD at the end of June. Penny and Sue will stay for another year as Co-Chairs. We need to recruit two new members for 2004-2005. Several names were suggested.

### 3. Follow up on Privacy Program - Availability of taped session?

Rob has the copy of the tape in digital format that was made during our privacy program on May 19<sup>th</sup>. He will check with Kari Lucas about putting this tape up on the LAUC-SD website.

### 4. Suggestions for using videotape of the MLA Library teleconference 9/10/03, "Reading Between the Lines: Focusing on Health Information Literacy"

R&PD paid for the copy of the videotape from this MLA teleconference. Penny checked with the Information Literacy Task Force (Jeff Williams) to see if they could use this tape, and she was told that they are interested in library literacy rather than health literacy. She checked in WorldCat and found several libraries had catalogued this item. She has sent the videotape and Participant's Manual to be catalogued as a gift to the UCSD Libraries.

### 5. Revision of the Statewide R&PD Website - <http://www.ucop.edu/lauc/rpd/index.html>

Penny asked for suggestions to revise this website. She is working with Anneliese Taylor (UCSF) to revise this website, with a deadline of June 30<sup>th</sup> for ideas.

### 6. Thanks for a great R&PD year.
