Dear Friend,

Your letter dated November 23, 1971 has been received.

From your letter we are very glad to see that the first CCAS Friendship Delegation has done a great deal in promoting the friendship and mutual understanding between the peoples of China and the United States after its visit to China, for which, we express our appreciation and thanks.

Regarding the second CCAS Friendship Delegation to China put forward in your letter, we agree that you organize a 20-30 member delegation to China for one month visit in early March, 1972. The expenses within China will be borne by us. In order to facilitate our early arrangements, please send us the list of participants with relevant particulars such as, name, sex, age and occupation and advise us dates and points of entry as well as the requirements by mail as soon as possible. Please contact the Embassy of the People's Republic of China to Canada for Entry Visas. For further detailed arrangements you may contact us through communications.

We learned that the first CCAS Friendship Delegation has written some articles about China since its return. Would you please send us some of them, if it is convenient to you, and it will be a pleasure for us to read.

with best wishes,

Yours,

China Administration for Travel and Tourism,
Liaison Department.
