# YOU WILL KNOW ITS GRIP

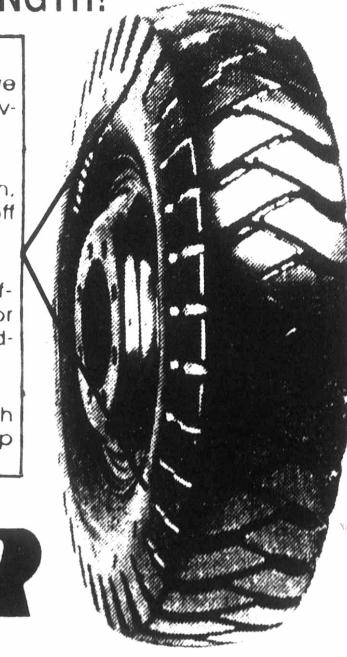

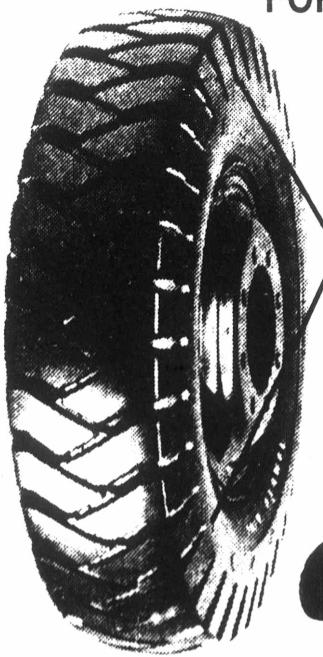

WHEN YOU SEE ONE!

Seen an eighteen wheeler or those huge logging trucks? Imagine the reliability and their performance if each wheel had one of these tyres. For all logging and off-the-road Hauling.

# Timber King

FOR POSITIVE TRACTION AND SUPERIOR STRENGTH!

#### INCREASED IMPACT RESISTANCE

With a casing of high grade nylon the Timber King resists the destructive effect of heat, resulting in Increased Impact resistance to heat buildup. Giving you a tyre designed for superior strength and long wear.

#### EXCELLENT RETREADABILITY

The Timber King has tread compounds made with a combination of tough, cut-resisting rubbers. This helps to minimize wear on the road and chipping off the road. That's why it gives excellent retreadability.

#### SUPERIOR LATERAL AND FORWARD TRACTION

The massive Chevron pattern of the Timber King truck tyre allows good self-cleaning-keeping stones and other materials from lodging in the tread-for positive full-time traction. Hence side slips on and off the road can be avoided.

#### HIGH LUG-TEARING RESISTANCE

Even in the most punishing conditions, the Timber King truck tyre offers high lug-tearing resistance. Made possible by its sharply angled lugs and deep contoured tread grooves.
