

## **Admission of 1 more freshman**

**February 10, 1964**

Sally-Jo Anderson, Imperial Beach, has been admitted as a member of the freshman class of the San Diego campus of the University of California, John W. Brown, Registrar and Admissions Officer, announced today.

Miss Anderson is a senior at Mar Vista High School. She plans eventually to major in biology.

This will be the first year that the San Diego campus has admitted undergraduate students. Previously it has been restricted to graduate instruction and research.
