

Commencement ceremonies to be held

June 3, 1982

Commencement ceremonies honoring the graduates of the four colleges and the graduate studies program at the University of California, San Diego will be held on the campus Sunday, June 13, 1982.

Approximately 1,700 students are eligible to participate in the five ceremonies, including some 350 from Muir College, 460 from Warren College, 320 from Revelle College and 220 from Third College. About 300 graduate students have received their degrees during the past school year, but only about 65 are expected to attend the graduate ceremony. Many of the others have left the campus for postgraduate studies or employment.

The graduation ceremony for the UCSD School of Medicine, at which 119 students will receive M.D. degrees, is scheduled for 11 a.m. Sunday, June 6, on the lawn adjacent to the Biomedical Library. Actor Raymond Burr will give the commencement address.

Earlier this year the provosts of the four undergraduate colleges drew straws to determine the order in which their graduation ceremonies would take place on June 13. Dr. Richard C. Atkinson, UCSD chancellor, will spend the day in cap and gown taking part in each of the ceremonies to extend official campus greetings and congratulations to graduates and visitors.

The Muir College commencement is scheduled to begin at 9 a.m. in the courtyard between the Psychology and Linguistics Building and the Applied Physics and Mathematics Building. Dr. Ronald Berman, professor of English literature at UCSD and former chairman of the National Endowment for the Humanities, will deliver the commencement address. As in past years, a bagpipe procession, led by Pipe Master John H. Rosenberger, will open the Muir College ceremonies. Muir College Provost Dr. John Stewart will confer degrees.

The Warren College commencement will be held at 10:30 a.m. on the lawn west of the Biomedical Library at the School of Medicine. Dr. Mark N. Christensen, a professor in the Energy and Resources Group at UC Berkeley, will be the commencement speaker. Warren College Provost Dr. Lea Rudee will congratulate the graduates for the last time as provost. Rudee, named as the first provost of Warren in 1974, was recently named as dean of the newly formed Division of Engineering on the UCSD campus.

Dr. John Slaughter, who received his Ph.D. from UCSD in 1971 and is currently director of the National Science Foundation, will serve as the commencement speaker for the graduate studies ceremonies at noon in the Mandeville Center Auditorium. Dr. Manuel Rotenberg, dean of graduate studies and research since 1976, will present the graduate degrees for the last time as dean. He will return to teaching and research on the UCSD campus next fall.

As in past years, dissertation advisers will assist in the hooding of their doctoral candidates during the ceremony.

The Revelle College ceremony will begin at 1 p.m. on the lawn south of the Humanities-Library Building at Revelle. Dr. Roger Revelle, a member of the Department of Political Science at UCSD and Director Emeritus of Scripps Institution of Oceanography, will give the commencement address. The Revelle College degrees will be conferred by Provost Chia-Wei Woo.

Third College commencement is scheduled to begin at 3 p.m. on the lawn outside the Social Science Building at Third. Dr. Carrol W. Wayman, dean of undergraduate studies at the Holistic Studies Institute in San Diego, will give the commencement address. Faustina Solis, completing her first academic year as Third College provost, will confer the degrees. In keeping with the tradition of the college, families will accompany students as they cross the stage to receive degrees.

Receptions honoring the class of 1982 graduates will be held following each of the ceremonies.
