

**May 28, 1997, 7:30 a.m.-4:30 p.m.
Sheraton Grande Torrey Pines**

This conference will focus on the many changes taking place in the telecommunications industry. Come interact with industry leaders who will talk about:

- How the Internet is Revolutionizing the Telecommunications Industry
- Telco/Cable/Satellite Wars: Competition and Convergence
- Personal Communication Services--the transformation of the wireless telephone industry
- Emerging Markets in Asia--how small and mid-size telecommunications companies should approach the Asian market
- Keynote Speaker: Andrew Sukawaty, CEO, Sprint PCS

A few spaces for exhibitors are still available

**EVOLVING MARKETS
& MARKETPLACES IN
TELECOMMUNICATIONS**
