About CONNECT

CONNECT is a nonprofit organization dedicated to creating and sustaining the growth of innovative technology and life science businesses in San Diego. Since 1985, CONNECT has assisted in the formation and development of over 2,000 companies and is widely regarded as the world's most successful regional program linking inventors and entrepreneurs with the resources they need for success. CONNECT focuses on research institution support, business creation and development, entrepreneurial learning, access to capital, public policy advocacy, awards, recognition and networking. There are nearly 40 organizations in 18 countries that have adopted the CONNECT model, including the UK, Sweden, Norway, Denmark, Australia, India, and most recently New York City.

Scott Huennekens
President & CEO
Volcano Corporation

February 9, 2011

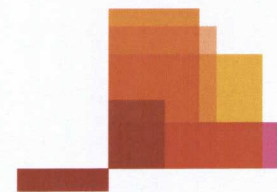

SCOTT HUENNEKENS

Scott Huennekens has served as President and Chief Executive Officer of Volcano Corp. since April 2002. With its headquarters located in San Diego, Volcano Corporation develops, manufactures and commercializes a broad suite of devices designed to facilitate endovascular procedures, enhance the diagnosis of vascular and structural heart disease and guide optimal therapies.

From January 2000 to March 2002, Huennekens served as the President and Chief Executive Officer of Digirad Corporation, a medical imaging company. He is also a member of the Board of Directors for Volcano Corporation, the Medical Device Manufacturers Association (MDMA), and BIOCOM. He received a B.S. in Business Administration from the University of Southern California and an M.B.A. from Harvard Business School.
