PANASONIC

Who to win?

By Henry Morabang
Staff reporter of the Rugby League News

PORT MORESBY will take on Balmain Tigers for its first round of National Panasonic Cup series in Port Moresby if they win the game against Western Australia this Sunday.

The secretary for Port Moresby rugby league, Rodney Sweeney-Hunt told *RLN* that "it was a suggestion and not definite".

He said the decision was up to the organiser for the National Panasonic Cup in Sydney.

The games can be played here only if Port Moresby wins the game against Western Australia and also it would depend on gate takings (the number of people who turn up to watch the game this weekend.)

It is a very expensive exercise because Balmain Tigers' players are more professional people in the rugby league business he said.

If things do not eventuate then Port Moresby players will fly down south and play with Balmain Tigers in Leichhardt oval on Wednesday night (April 22).

Meanwhile Port Moresby will concentrate on winning the game against Western Australia this weekend.

Last year Port Moresby side thrashed Western Australia 52-14 and it is expected to repeat that treatment this weekend as well.

Western Australia to be edged out South Australia 18-16 and beat Victoria 28-10 last Sunday, to work up for the final match against Port Moresby before the real fight against Sydney Club Balmain Tigers on April 22 at the venue yet to be decided.

These pictures of two of Port Moresby league's most colourful persons as captured on film by *RLN*'s photographer MARKROY TENO tells a lot. On the field it's business.

INSERT In the clubhouse it's fun.

EIGHT READY FOR EASTER FEAST

by Joseph Kau
Staff writer of Rugby League News

This weekend Port Moresby league followers will be treated to a feast of football when the eight top teams in the premiership competition engage in the battle for the Benson and Hedges Easter Challenge Cup.

The sponsors of the tournament Benson and Hedges have put up K10,000 as their contributions towards the prize money, with the Port Moresby league dishing out another K1,700 for the total K11,700, prize money.

Competition pacesetters Toyota Defence will have all their "guns" firing to add another prize to their competition, in this weekend's Benson Hedges Easter Cup challenge.

It is the only side in the competition which has been undefeated and will have that record to boost its performance this weekend. Being fit,

the job they are paid to do will be the trumpcard for the soliders as the game will be for three consecutive days.

Defence's opponents in the first game on Friday, Twisties Brothers are a hard nut to crack and the soliders will find the going tough. Their performance will lack sting as gaps left by National Panasonic Cup players, Mathias Kitimon, Joe Tep and Arnold Kerewanty will be evident. However they should pull through.

Another likely contender for the cup and the K6,000 first place prize, Hobar West vowed to cut down all opposition and do not see Defence as a threat.

However their opponents in their first game on Friday is none other than Bowmans DCA. The team that robbed the "pukpuks" of the Port Moresby premiership last season.

West coach Bill Fleming said with finality that his charges would beat the "bulldogs" and there was not two

ways about it.

DCA on the other hand has improved a lot and even without aces Koivi Pirika and Dairi Kovae, will have enough in reserve to stun the "pukpuks". Veteran Tara Gau will be leading a bunch of determined youngsters "to put the record straight". DCA should take out this one by a try.

Kone Tigers and Nissan Tarangau should win their matches against Sapphire Air Niugini and Fairdeal Panthers, respectively on Friday.

However the crunch will come in the second round when the four winners play-off to decide the finalists. DCA and Defence will be the most likely finalists.

The winner of the tournaments will get K6,000; the runner-up K2,500; third place K1200 and the fourth placed team gets K800. The bottom four teams will receive K300 each.

Australia should help out France

By TIM WILBY, captain of champion French club, Le Pontet.

THE lifeline for French rugby league lies 20,000 km away — in Australia.

And as RLN readers will be aware by now, help is certainly needed!

The game is in trouble here, and great deal of hard work needs to be done.

I see it this way: I believe the men who run rugby league in France must turn to the younger generation — and start building.

And the best place they can turn to is the "mecca" of world league... Australia.

In recent seasons almost all French clubs have signed Australian players to bolster their standards and competitiveness.

But, I see this as just a short term

solution — it's difficult for me to say that, as I am an overseas player who has benefitted from the situation in France.

The situation now is that the French expect, and look to the imported players to do the work for them.

Money would be better off invested in sending young players to clubs in Australia, to play U23s, and to learn all they can about skills, conditioning and coaching.

Those players will be part of the finest setup in the league world.

Over a three year period a club sending young players to Australia (say, two a year) would have a nucleus of educated footballers who could influence their fellow players to change attitudes that have existed for too long in French league.

In France young league players are

never given the rudiments of the game; they are thrown the ball, and allowed to play without any serious coaching.

Consequently skills are not developed, and the "law of the jungle" becomes the way of things.

The staggering fact is that many of France's senior international players do not know how to catch, pass a ball, or tackle correctly!

In Australia — and a concerted programme as I have outlined above — I see a gleam of hope.

Such a scheme would require the co-operation of Australian clubs. But surely it would be no major problem for the clubs to have a couple of young Frenchmen tagging along, on a "study mission" — if it meant they were helping to save the game of rugby league in one of its traditional homes.

NO BIG DEAL But Thanks!

COMMENTARY

By Benny Bogg RLN Editor

SO, Port Moresby did it again. And again it won by a very big score of 52-5.

The Northern Territory team must put in a better side next year if the officials of the NT group think its worth their while to spend time in the preparation and travelling to play for the National Panasonic Cup.

A lot of money was spent on NT to come and play in Port Moresby (regardless who paid for the trip) and what do the spectators get?

They enjoy nothing apart from seeing new faces on the field. And they go home a little happier that Port Moresby won but very disappointed because the game was boring. Only Port Moresby was scoring tries. And the K3 gate fee then becomes a very high amount to witness a lowly rated match like that of last Sunday.

The words "It's a one sided match" came from nearly every pair of lips at the ground (Lloyd Robson Oval) last Sunday as the game approached its end.

From today on the Port Moresby rugby league spectators and supporters would not be likely to feel the urge to witness the thrashing of another NT side for the Panasonic Cup next year.

But unless the next visitors — the Swans from Western Australia who are due before next Saturday to play the Panasonic Cup match in Port Moresby against the National Capital side do well then the home spectators should start thinking of going fishing next April.

My opinion is this. Port Moresby will also thrash the Swans and go down for the more solid stuff against one of the best clubs in Sydney at the moment, Balmain Tigers.

And if we use last year's score for the National Panasonic Cup matches between Western Suburbs and Port Moresby as any indication of the strength of clubs in Sydney I'd say Port Moresby still has a long way to go before becoming a threat to any of the clubs down there.

Last weekend Steve Malum got lots of praise from everybody including the visitors official party. That is good going Steve, but the game was no big deal. Also Steve, thanks for giving Mala Soi, Arnold Kerewanty, Gideon Kouoru and Moale Nou their first taste of representative football.

Maybe in the near future we might like to try a completely new batch of footballers in such matches. But I guess we still need to use a lot of Kumuls when we go down under for the Panasonic matches.

Lowly rated ANG twisted Brothers

by **HENRY MORABANG**
Staff writer of Rugby League News

MADANG underrated team, Jant (Timber) Air Niugini sounded a threat after twisting Twisties Brothers 22-10 in Madang rugby league action last Sunday.

The PX potential Kumul from Madang, Bare Duin tirelessly lead the assault to cause the upset right from the start to the finish.

Air Niugini played open style football and proved too classy for Brothers as they ran in tries one after the other.

The Chimbu lad, Duin, with the help of his generals Dick Moiga and John Kambual really proved that Air Niugini was to set fly the pace as the season marches on.

With John Kambual playing at the five eighth position, Air Niugini really out played Brothers and made them look like beginners on the field.

Another threat for Madang teams was the mean tackling machine Michael Tet. Last week Tet played a top class football. He was outstanding in a game which Madang had been waiting for a long time.

Air Niugini should also give credit to Robert Diga for his around the corner goal kicking tactics. He scored four out of five attempts to help his team out the mountain men.

Brothers, one of the strong contenders for premiership this year was no match to a bunch of schoolboys from Divine Word Institute.

Even with former Kumul, Gabriel Kuk leading Brothers on, the whole team was just beginning to play when the final whistle went.

Brothers collected its points from penalties plus a converted try just minutes before full time.

Best for Air Niugini were: Duin, Moiga and Tet; while Kuk, Ivan and John Makal showed for Twisties Brothers.

In the main game, Tony Seeto's boys, Kulili Hawks, stole the show from his former team, Panthers 18-10.

The game was exciting all through.

On Saturday, Tigers still maintained the competition lead with 24-10 points by defeating Royals.

SPEARED OUT!

(TOP) The beginning of that fateful tackle on Geoff Burr — by Port Moresby Prop Joe Tep.

(BOTTOM) After landing on the back of his neck Burr is only semi-conscious and needs to be moved out of the field on a stretcher by team officials of the visitors — no ambulance assistant was around to help.

NT gets repeat dosage

PORT Moresby gave Northern Territory a repeat dosage when they thrashed the Northerners 52-5 on Sunday.

The Port Moresby score could have been doubled had the players kept up the pressure throughout the game.

Assisting coach John Peard of the Sydney coaching panel said that our guys were too relaxed during the game.

Peard said that the Moresby side did well except for few finer points of the game. "They did as they were told to do in the basics, but to play and win against a Sydney first grade side the Port Moresby boys will have to improve a lot," he said.

The Port Moresby team played a hard and fair game throughout and the Northerners had no real answer to the Moresby onslaught. The game was only marred by the sending off of Port Moresby's tough forward Robert Jakis and the "immobilisation" of the Northerners lionhearted rake Geoff Burr. Burr was carried off on a stretcher, after a hard thumping from Joe Tep. Tep was earlier sin-binned for a head high tackle on a Northerner Territory player.

Northern Territory's points came from a field goal to Russel King in the first quarter and a barging try to Burr in the second quarter.

Tarangau outplayed again

By **ESS KEIWA**
Special to Rugby League News

LAST weekend saw the third round of games played in the Mendi league. The results of games played on Saturday — 4/4/87 in the first reserve grade game — Bulldogs and Royals drew 12-12, Magani defeated Tarangau and in the A grade game Hawks defeated Brothers.

On Sunday in the reserve grade match Brothers beat Hawks. The first A grade game saw Royals beat Bulldogs in a tight tussle 22-20 while in the main game of the week a classy Magani side beat last years premiers Tarangau.

The first A grade game was a thriller from start to finish the spectators were kept on their toes as both sides displayed some skilful ball handling and defensive football seen in Mendi for a long time.

Royals led by veteran Highland Zone reps Mathias Kombra on the lock position and Sutherland Yore on the pivot position and big Mark Yangen and John Koaba in the forwards proved the better side on the day to walk out victors 22-20 over Bulldogs.

In the first 15 minutes both sides threw the ball around until the Bulldogs backline come up with a try wide out from winger Mark Orila who outsprinted Royals cover defence to put Bulldogs ahead 4-0.

The game seemed until half time with the scores at 10-4 in Royals favour. A late comeback by Bulldogs in the dying stages of the second half gave Royals a scare but the siren saved Royals.

In the main game between Tarangau and Magani a strong Magani side defeated Tarangau. The Tarangau pack with regulars Peni Yano, Tim Gahare and Jerry Pango and friends did little to stop the raids into their 22 metres mark by the boys from lalibu.

Mokea Koke playing one of his best games for Magani in the forwards was always in the think of action. He was ably assisted by Luke and halfback Nelson Koim were far too many drop balls and errors. The backs lacked co-ordination and time and again skipper Edwin Oropa had to run from the centre position to the half and five eighth positions to call the shots.

The classy Magani backline reading the play very well ran rings around their opponents, making them look like schoolboys.

The try of the match came in the 34th minute from a scrum inside Magani's 22 when halfback Nelson Koim wrong-footed his opposite Andrew Kengi, then fended off five eighth Moses ToLingling, drew in the two centres and threw along pass to centre Anderson who raced some 50 metres to score under the uprights.

The conversion by Jacob Mumburu was successful bringing the scores 12-4 in favour of Magani.

In the late stages of the second half both sides tried everything they could to unsettle their opponents and the better side on the day come out winners. Final score Magani 28 defeated Tarangau 22.

Brothers fined K100

TWISTIES Brothers rugby league club may be fined K100 for not wearing their proper jerseys during the game with Air Niugini in the C Division last Sunday.

The secretary for Port Moresby rugby league association, Rodney Sweeny-Hunt told RLN that it was in line with the Port Moresby league constitution that if any of the clubs failed to provide proper uniforms during games they should be fined K100.

He said there were no excuses whatsoever for Twisties Brothers. "They have to provide that K100."

RLN could not contact Twisties Brothers' president Alphonse Nikints for his comments.

Bomana topples Waigani in sweet revenge style:20-0

by **DANIEL KASI**
Special to Rugby League News

A VERY determined Bomana took revenge over its 1986 semi-final lose to topple Waigani the team that beat them by 20-0 ending the pre-season competition in the National Capital league at the Kone Tigers oval last weekend. Bomana's defence was superb and withstood raids by helpless opponents.

And for Waigani the lose is not an excuse to them. They also had an evenly matched side in comparison however the

13-3 penalties against them is a fine indication that any future illegal plays should not be entertained or tolerated by match referees.

Had it played proper rules it should not have scored a defeat.

Bomana from the outset showed Waigani it meant business driving the opponents back.

For the win full credit must go to Ben Goma. The hard running Bomana forward played a major role for his side's victory by scoring two tries. It was in the 15 minutes mark when he dashed through the Waigani defence to touch

down wide out. Peter Lango kicked the difficult conversion and put Bomana in the lead 6-0 at the first quarter break.

Resuming after the break it was all Bomana's way.

In the other matches Saraga 17 beat Korobosea 4 and Hohola 30 thrashed K Morata 6.

Meanwhile the National Capital league has announced a training squad for their trial matches against Kiunga and Tabubil in Port Moresby on May 9 and 10 in which a country first and country second is selected to play city first and city

second on May 14, 1987 at the Lloyd Robson oval.

The training squad is:

DIRECTOR'S MESSAGE

1986 Financial Report

■ Brian King

■ Keith Collins

AS Director of PNG junior rugby football league for 1986-87 it's my great pleasure to present my report to PNG junior rugby league football and PNG rugby league's annual meeting.

1986 has been a year of many successes in many areas with very little disappointments which I will later highlight in parts of my report.

1. EXECUTIVES

Last year 1986, in the promotions and the development of the code and the objectives of PNG junior rugby league was served by the following executives:-

Gaudi Toka — president; Benson Osil — vice president; Morris Mason — vice president, Don Haro — vice president; Jim King — vice president (until replaced); Lucas Koim — secretary; Brian King — treasurer (vice president — PNGRFL).

Their commitment, direction and work has the ensured effectiveness of the code and its administration. A lot has been achieved at respective leagues through their directions.

The executive and I (Edward Bal) were supported by the following individuals occasionally:-

Keith Collins — coaching director (until death); Rodney Sweeny-Hunt — finance director; Dawa Solomon — executive officer (resigned); Dave Ross — secretary.

2. FINANCE

Being realistic, I'd admit that the administration is the highest component of expenses. Only very few leagues have respected their constitution and forwarded their monies towards the PNG junior rugby league office.

Many leagues both full and associate members have failed to pass on registration money. I firmly suggest that the junior rugby football league for the 1986 and 1987 season should work hard to do away with this problem.

3. LEAGUES

In 1986 PNG junior rugby football league had the following

memberships:-

1. **Highlands zone:** Goroka, Kundiawa, Waghi, Mt Hagen, Tari, Gemboge.

2. **Northern zone:** Kainantu, Lae, Madang.

3. **Island zone:** Rabaul, Bougainville.

4. **Southern zone:** Port Moresby, National Capital District.

However only a few leagues have junior grades playing in their leagues and have seen a high level of development and administration at this level.

The change over of executives has been a major problem continuously, especially the responsibility for accounting for junior grade money. No management and financial accountability seemed to be accepted by the executives accordingly league administrations are "continuously" undermining the players through not passing on the registration and other players fees to the junior rugby league office. Incompetent officials who are not working and serving in the best interest of rugby league and the players should be removed and constitutional measures should be taken upon them. However it pointless to blame anyone at this time of the year. This year 1986, was a successful year in which collective responsibility was ensured that the game rugby

Benson Osil has the biggest zone which consists of seven leagues affiliated this year. However Benson has co-ordinated his zone very well with very few problems.

5. SPONSORSHIPS

For the promotion and development of the game I'd like to thank "PEPSI COLA" for their involvement and generous and innovative sponsorship for the next five years. PNG junior rugby football league was allocated K10,000.00 this year of which 50 per cent was used as players elected for Kumul representation to New Zealand earlier this year. I hereby urge the executives and the players to work closely with the company for exposure in the game, for the great investment and commitment made by "PEPSI COLA".

6. COACHING

The coaching scheme this year has held many courses and many have graduated as level one coaches. It was very encouraging to see that coaching was treated with a responsible attitude. I'd like to see one or two courses being conducted next year, 1987 especially for the juniors and schoolboys only. I'd like to see as many

forward to co-operating with you once again next year.

8. JUNIOR KUMUL TOUR — NEW ZEALAND

The historic tour all in all was tremendous and a great success from every point from the beginning to the end. For very detailed information on the tour please refer to my separate tour report which was previously tabled. However and despite criticism by supporters and the general public mislead on the selection of touring party officials, we have fulfilled our responsibilities to the best of our knowledge. I have seen press reports, received letters and read letters to the editor expressing outright dissatisfaction with the selections method and its criterias for selecting the officials of this very tour. However my conscience forces me to reply to all criticism through this report on the controversy regarding the selection.

CONCLUSION

I have been very pleased with the year's achievements and would at this meeting particularly like to extend to the fellow executive members of PNG junior rugby football league, all affiliated league members and officials my very sincere thanks for their very productive assistance and contributions towards juniors. Thanks so much for a job well done. I urge you all to continue to assist and direct the junior rugby league at your respective leagues. I must specially thank the following;

- Brian King vice president
- Dawa Solomon executive officer (resigned)
- Keith Collins coaching director (till death)
- Dave Ross secretary (resigned)
- Paul Raptario treasurer
- All junior league executive members

With League Compliments

Edward J. Bal
Director —
1986./87

Thanks a lot to the late Keith Collins for a job well done

league was played and promoted in its true spirit in most leagues where credibilities and status has been highly commented.

4. CO-ORDINATORS

The executives were supported by the four co-ordinators respectively. They have performed their responsibilities beyond their expectations which have promoted a high level of administration. The four co-ordinators are

Don Haro — Southern zone; Morris Mason — Northern zone; Benson Osil — Highlands zone; Jim King — Islands zone (replaced).

coaching certificate holders to be involved at junior level next year. Thanks to the late Keith Collins for a job well done.

7. REFEREES

After numerous calls to PNG rugby league referees association, they have contributed more than enough to compensate for 1985 season. A lot of junior games in most leagues have been controlled by members of the referees association. I'd like to thank PNG referees association for its support and the tremendous contribution towards the juniors this year 1986. The executive and I look

Brisbane stars will lead the Sydney assault

Brisbane Bluebloods; Wally, Bryan, Greg and Gene

ON these four, broad sets of shoulders will rest the success of rugby league's greatest leap forward in modern times — the placement of a Brisbane team in Sydney's Winfield Cup.

Late last week the four were on the open market — at a staggering cost of \$800,000.

But at the weekend it all changed. The QRL

voted to put a team in the Sydney competition next year, although there are some hurdles still to be overcome.

And Wally Lewis, Gene Miles, Bryan Niebling and Greg Dowling — the Bluebloods of Queensland league — will be the foundation stone of that team.

The QRL decision has just about guaranteed that the Bluebloods will stay "home."

With strong and proven players like Colin Scott and Greg Conescu to provide the support the Brisbane side will be made of the "right stuff".

Sunday's QRL deci-

sion came as a bolt from the blue for the Big Four, who all want to play in the Sydney competition — but who weren't keen on moving south.

Test captain Wally Lewis would have become the most expensive player in the

history of the game if he had chosen the move to Sydney.

Lewis would cost an amazing \$275,000 for the first year!

My estimates on the cost of the four players to Sydney clubs for one year are: Lewis \$275,000, Miles \$245,000, Dowling \$140,000, Niebling \$140,000.

The big snag with Lewis and Miles would have been a QRL release fee of about \$75,000 each and a compensation payment to Wynnum-Manly of around \$30,000 each.

Lewis revealed this week that his career may have ended at the

end of the 1987 season, had the QRL stuck to its decision not to go to Sydney.

"Any club that paid \$275,000 for one player would have rocks in its head," says Lewis.

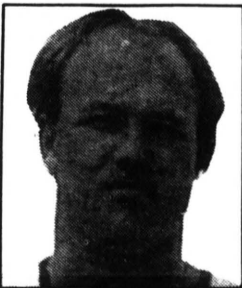

"In the past week or so, since all this Sydney

stuff came to a boil, I've been seriously thinking about the future. I'm determined not to play for nothing and retirement was the thing that kept coming back to me.

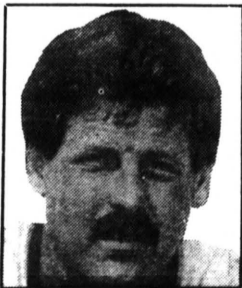

"I always intended finishing after 10 seasons of first grade, and 10 is up at the end of this year. Naturally I want to continue, but had this vote last weekend not been positive, that may well have been it for me."

Lewis said he intended pursuing a career in the media when he finished and his retirement from the game would have merely hastened that

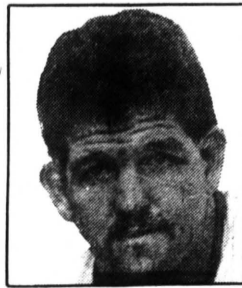

move. The Australian skipper has already targeted Sydney players, he said will head a Brisbane "hit-list" and among them are some of the biggest names in league. Half a dozen have worn the green and gold, four on the successful Kangaroo tour. ● Rugby League Week.
