Safe Motherhood Song Competition

The National Department of Health is looking for a song to promote Safe Motherhood.

Safe Motherhood is a woman's ability to have a safe and healthy pregnancy and birth.

Things that affect Safe Motherhood include the physical environment, the social environment and choices a woman and her family make.

Song writers and musicians are invited to submit original lyrics only or lyrics and music (on a demonstration tape). Songs should be in Tok Pisin, no longer than 4 minutes and based on any or all of the following themes:

- * The benefits of safe pregnancy and healthy delivery
- * Ways to ensure a safe and healthy pregnancy and birth
- * Ways for husbands, families & communities to respect and support pregnant women
- * The benefits of planning a family
- * The value of women and the importance of education for girls
