

I believe

Tues. Nov 9 1976

Your mother is sick ons Monday nos Tom
She is still writing you dont precognitive

anymore

Why I approve

Wed I am still sick Thursday Tom wants to interview [??] Sunday
late afternoon

its works

reading about Bermuda Triangle interesting
1. magnetic posts on earth 12
n + s poles & nearly equallated 10 others 36° N or S latitude -6 each N &
S hemisphere
2. Philadelphia experiment - Navy destroyer 1943

which books

3. Atlantis under Bimini

Thurs Nov 11 I am sick & worried about mother the donst skip
Sunday interview & leaving soonss for ny ins
Decembre.

Wrote a Perreault & Jerry in Calif. John says much flack. Perhaps I should go

I donst trust it [curve up]

Why I positively ad[??]

Did I get sick Friday or Wednes?
Wednesday

going breathe out to the long drive at night why did it take 5
days to show up? not usual with me

I dont understand [curve up]

I had no warnings on Wednesday except I tried hard not to go out
late. Gone 4 hrs. ins car. car warm. Hall cold.

jealous

who is - is Jamie

Carolee

jealous of mys words

If mother catches my cold I shall never forsgive myself twice - why did
Jamie delay teh interview so long? very resentful on my part. Makes it so
difficult dangerous now.

Perhaps it is best to cancel nots wise the interview - it does hurt to
do that. I am angry at forgive Jamie for 2 mos delay

vinegar

I see mother is sick twice & it worries
c o m p l i c a t e d

Does my temperature increase. ams I right

The awful last years fear of flus shots

hurts

Mother caught a cold from me last year & it developed into pneu
monia. I ams sick
& I didnt have one warning. Why? What happened? Wed or Friday

Cheated

What did I do when wrong? I dont know
poor

I should have not gone] the library
I never went ditto

mother is strong [diagonal up]

why am I sick?

Fri I feels better
I must strong

Voices wont let me take Alan's pills. Dr Sharp says no pills estrogen or
vit homeopath
I calls Sharp

Mother is OK today
Sharp says ons telephone
I'm OK

until Wednesday

dont promise Steve nothin

I must windows

call Steve & tell him I'm **coming Thurs** **Hannah I stop writing**

Sat. I see The Hurts Sunday but I see "the interview is
OK" on the phone cord as I call

Tom

see ears

I have seen "you have an earache" & I dont know how to prevent it.

Downstairs is cold. I remain up in my bedroom until Tues as per words.

[**clever** superimposed on as per words]. I could cover my head when I go
down for food

& trays

How can I prevent Sunday from hurting? Should I dress or wear a robe? I
 dream hippies about the woods family I Allan
 knew 6 or 7 years ago late

in the Woodstock area [curve up]

I saw semi dreaming sunlight shining bright blue tiles & others
 stupid like tripping I almost wrote to the

family

asking if there were a gathering again Carolee was in the dream
 but I why moved my blanket beside the family bright sunlight
 I see CALL JERRY & see "dont change

csancel

the February date" when I dial. I dont complete the call.
 ambivalent.

Dont want to spend mothers stupid family money
 uselessly

Sunday Early today I dreamt aunt Anna was converted to
 Christ beloved
 sav money
 and I think
 3 people

Christ

they social security came to her because she was kind & I awake &
 see CANSCER on my brow another I don't know &
 today Bernadette calls & Jamie & Tom

interview us

We feel better after many cups of tea & 3¹/₂ hrs of talking &
 meet people loving every party minute of Tom's
 interview

I likes to speak

But we forgets some things Make notes read slit wrists
 twice journals I like Neal
 I hear as voice Bernadette & Lewis read **together**

discuss Thanksgiving whether to go to B's or dont drive it take
 the bus home there is snow up there & a long bus

warm train [slant up]
 home

Keep writing Stupid
 Well is to NY ors B
 I see TROUBLE

 its tues changing pens helps
I hates mother no I dont I stayed upstairs

Mondays

after Sharp said who says I was OK indifferent I dont worry
this week about mother's busy illness
Why am I indifferent
Her ears ached & I saw "you have an earache Saturday but I
 didn't feel it

I should leave Thurs but I ams waiting for the violent sweats
Friday to stop one shot helps
I wish I had never taken that drive to VRI that Wednesday
I didn't want omit

very weka Thurs stupid [curve up]
Shall we put the bedroom typewriter ins the kitchen
 that helps
by the stove ins case the living room is poor cold as it always is at night
Should I buy a new stove or **mone** means no

you must live on your income which is \$35 a month less this year

thas tired why is less doctors tiring enough think of remember
a news loft a warm apt to move to union

I feel hot Slightly feverish normal at 98.8 I feels hot depressed
upset scambridge might Octobre have annoyed helped Dr Rees

I donst know [curve up]

I sweat still & see you hesitate & dont come bad mothers sick
I recently marjorie replaced Jamie in a dream.

Tom's word

Bored Why Times sunday papers sic Dont visualize ny apt ats all
what the same
told Steve I might

come Thursday [curve up]

going into cold window my important senieses feel stuffy
without steam

3 mos & it hurts
I should have brought or ordered a face

steamer

My mother is sick downstairs I am sick upstairs My face in the mirror
says big Illness in the yellow color of the towel draped over my
headcovering My ears hurt a red light flashes from my left ear

My brown pen ran out to my purple pen ran dont skip lines out my green pen bled all over my stomach & mys robe I cant find complains green pen this minute

Being sick is dangerous

Little words caffeine appeared on my forehead all day & they blow wouldn't let me

masturbate

I found my green pen. When I return to ny I shall buys green notebooks with adults on the covers nots girls all the little girl why notebooks are written at my parents stupid home

I bought stole them at the supermarket. 39¢

I disappear often [curve up]

I dont feel bad anymore I drink meditate apple cider money vinegar & honey a lot & I desert my no I dont meditation. I sit almost 3 hrs not true careful I sits I sat continuously while father was in concentrating in the dont bother

I feel awful I have one more notebook studying Hungers ands I write

nots the question I read

I feel a little hungry now & then [curve up]

appears on forehead

its wonderful toots

2¹/₂ or 3 yrs ago darsling I just begged for a complete

novel

a completes sentence

yes the most wonderful thing in the world to me beside having my sexual fantasies fulfilled would be to write as novel a book a new book not really a journal

sometime

that leaves space
a challenging new form

a challenging new form hurts **I see this** on one line
well an old **dum** form that I have never tried like people & things &
remarkable dialogue **I canst** even steal plagerize it from
anyone poor sob story

I just write enough even the remarkable lines at the
first line are a new form. I also this page is like an older page this
book. You understands I dont consciously decide **how to say** what
I write I just keep writing waiting for news information or the style to
change a little. Even just some pages of B e r n a d e t t e change
challenge me

which

I like terrible much

I quotes Bernadette a line "By transition" I can count to ten. I admits
"whose mind" **Trans**
itions" are everywhere
realy writing
take a quote
"like you fucked three times" splease

nots that word

I likee My Quatee "a real translation (B's word) of thought."

John Giorno hurts a bit [curve up]

Why? I ask patiently

donst Phil Glass

I continue to see **Read**

Memory but it is

in ny without me

sos I read it [curve up]

We call all B's books Isdos[??]

as I read Is remember twice feeling shifts in consciousness in an entire
group write a stupids once at as concert & once at my apt.
completes group

Its not the same as an crazy increase in energy its like a turn ors a
step

You feel foolish
