A New Hope For National City & The Bonita Golf Course

Fellow Voters:

I am writing this letter to urge your consideration for Dr. Oscar Canedo and Mr. Jesse Ramirez, candidates for City Council. Honesty and integrity are characteristics of these candidates that will not be found in the incumbents, or their other challengers.

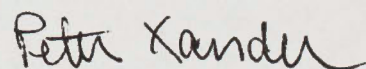

As you know, the Bonita Golf Course is of utmost importance to me personally, and I feel that in endorsing these candidates my interests are being well expressed. They are concerned about the lack of open space and the corporate interest that is going almost unrestricted.

I have known of these men for several years and they have my unqualified respect. Their qualifications and their experience are worth something to me, my vote and my endorsement. After reviewing the other candidates for City Council, my convictions are enforced.

Enclosed is a copy of their campaign brochure. Please read it and give them the consideration I think they deserve. If you do, I am certain you will agree with me that they are the best men for the job.

Vote for Dr. Oscar Canedo and Mr. Jesse Ramirez for City Council. Vote on March 2nd. Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Peter Xander".
